Out-of-State Tuition Waiver for International & Superior Out-of-State Students

GUIDELINES

The following are the guidelines for an out-of-state tuition waiver:

Fill out an Application for Out-of-State Tuition Waiver.

- Include in your application packet a 100-word personal statement substantiating your reasons for requesting this waiver.
- Include in your application packet, a letter from an advisor referencing your campus, or community involvement. Considerable weight is given to these types of activities and service.
- Submit your application packet to the Office of the Vice President for Student Affairs no later than the last day to pay tuition & fees for the term for which the out-of-state tuition is to be waived (*Refer to the SSU academic calendar for the tuition & fees due date*).
- Incomplete packets, or packets submitted after the due date, will not be considered for the term.

NOTE: Only undergraduate students (post bachelor and graduate students are not eligible) can apply for an Out-of-State Tuition Waiver and previously enrolled applicants must have at least a 2.0 GPA from the previous semester (minimum of 12 credit hours) of enrollment and a Cumulative GPA of 2.0 to be considered.

Requirements if granted an Out-of-State Tuition Waiver:

- If a waiver application is approved, the waiver will not be retroactive to prior terms.
- Waivers must be renewed annually unless otherwise noted.
- The student must maintain 'full-time' registration status at all times, and falling below 12 hours will cause a student to lose the waiver (EXCEPTION: graduating semester).
- The student's GPA has considerable weight in determining approval of the waiver, and falling below a 2.0 Cumulative GPA will cause a student to lose the waiver for the next semester of registration and students who fall below a 2.0 semester GPA for two consecutive semesters will cause a student to lose the waiver for the next semester of registration.
- A student who stops out for a semester will jeopardize losing the waiver.

NOTE: The Out-of-State Tuition Waiver Committee will review the application packet and advise the Vice President for Student Affairs of approval/denial.
