Savannah State University Refund Policy

Regulations of the Board of Regents of the University System of Georgia provide for tuition and mandatory fee refunds when formal withdrawal from the institution is approved within a designated period following registration.

The refund percentage that a student receives is a calculation of the time remaining in the semester up through 60% of the semester. Once 60% of the semester has expired, there is no refund for a withdrawal from the institution. A refund of all semester tuition and other mandatory fees is made in the event of death of a student any time during an academic semester. (BR Minutes, 1979-80, p. 61; 1986-87, pp. 24-25; 1995, p. 246).

Important Information

Payment Deadline: If payment is not made by the payment deadline, the student's courses may be dropped for non-payment and a late registration fee will be charged if courses are reinstated.

Late Registration: Undergraduate and graduate students who complete registration after the published registration days at the beginning of each semester will be charged a non-refundable late registration fee of \$100.00.

Drop for Nonpayment: Students are dropped due to non-payment of tuition and fees by deadline to the University. To avoid being dropped, make sure you check your student e-mail and PAWS account before the drop/add periods end.

Reinstatement Period: The University will offer a short window for those students who were dropped for non-payment or non-attendance.
