09 September, 2008

Dear SSU Marine Biology/Marine Science alumni, students and friends,

I am delighted to invite you to the SSU Marine Science Program Reunion Celebration during the 2008 SSU homecoming weekend. It has been 29 years since Bachelor of Science in marine biology program was approved and implemented at SSU. We invite you and everyone who has been associated with the programs to join us including all current students, degree program alumni, and those who have participated in research and training programs such as the CIRE, BI-OMP, HBOI Bridge, NOAA programs. Please come join us on October 31st at 3pm for the Marine Science Reunion which is being coordinated by the NOAA Living Marine Resources Cooperative Science Center at SSU.

I am a second year Marine Sciences graduate student at SSU and am conducting a survey to document the successes of the marine science program as part of my M.S. thesis research. Please register online at http://fs11.formsite.com/NadiaMeyers/SSUmarinesciencesurveysurvey/index.html to RSVP your attendance and help me tell your story and our story by taking the survey. If you have any questions feel free to contact me via email at nadiameyers@hotmail.com or phone at (912) 353-3249 or (412) 523-3408. Please pass this information on to those that also participated in the above mentioned programs with whom you still remain in contact. I look forward to hearing from you!

Thanks for your time and don't forget to register!
