

Selective Service

All male U.S. citizens and male aliens who are 18 and not yet 26 years old must register.

Incarcerated, hospitalized, or institutionalized for medical reasons must register within 30 days of release, if not yet 26.

Early Submission: It is now possible for a man to submit registration information early, as long he is at least 17 years and 3 months old.

For more information visit sss.gov.

Failure to register would make a male ineligible for federal and state aid.
