

TRANSPORTATION

All requests for motor pool vehicles, buses or vans for trips being paid for from University funds, must be made through the Transportation and Parking Department of the Office of Auxiliary Services. If a University bus or driver is not available, Auxiliary Services will contract for an outside vendor, and the department will be billed back for the actual amount of the vendor's invoice. For a description of the vehicles available for transportation and their costs, please see <http://www.savannahstate.edu/fiscal-affairs/parking.shtml>.

Hello from the Savannah State University Parking and Transportation Department! We're glad you're here. Here are some things you need to know about parking and moving through campus.

PARKING DECALS AND ASSIGNMENTS

All students, faculty, and staff who park on campus, **must** apply for a decal. You may do so online at www.savannahstate.edu/decal. Once you have viewed and saved the application, please take the application number to the Cashier's Office for payment. The office is located on the first floor of Hill Hall.

PARKING LOTS

Parking lots are designated for each of the four parking categories. Parking is restricted to the designated lots from **7:30 a.m. – 4:00 p.m.** on class days. Otherwise, parking is open to anyone with a parking decal *except* in reserved spaces.

Reserved spaces are *always* reserved.

There is a sign at the entrance to each parking lot showing which classification and color decal may park there. In some parking lots where more than one parking classification is identified, the spaces may be individually marked. Tickets will be given to cars parked in a space or parking lot that is not in their decal designation. In some cases, violating cars may be booted and/or towed.

RESERVED PARKING

Reserved parking spaces are only available for faculty, staff, and administrators. These must be requested annually in advance. Parkers with a reserved classification are allowed to park in any other parking space except for another reserved space or spaces marked for specific purposes (e.g., visitors).

PARKING VIOLATIONS

Parking violations are handled by the Auxiliary Services Office. Consequences include fines, vehicle booting, towing, and/or loss of driving privileges on campus.
