“Making the Right Connections with Employers”

The career fair is designed to provide an effective and efficient way to recruit qualified applicants from both universities. Career information booths will allow you the opportunity to provide interested candidates with information about your organization and its career opportunities. Alumni and seniors from both universities will be in attendance.

The registration fee for the Career Fair is \$85.00 per organization. The registration fee includes recruiting facilities, table, tablecloth, refreshments, and a luncheon. Organizations sending more than two recruiters will need

to include an additional \$10.00 fee per additional person. Payment may be made in the form of check, money order, or credit card (Visa or Master Card). Sorry, no

purchase orders can be accepted. Make check/money order payable to Savannah State University. **(Fed. I.D.# 58-6002069)** For payment by credit card, call (912) 353-3049.

Please complete and return the attached registration form by October 2, 2009 to reserve your space. Upon receipt of your registration form and payment, hotel accommodation information, campus map, and other details will be sent to you.

We look forward to your participation in this event and trust that it will hold great promise for employers, prospective graduates, alumni, as well as both institutions will be in attendance.

Savannah State University (SSU) serves approximately 3,400 students who hail from all corners of the U.S. and abroad. SSU is a launching pad for military careers with Naval and Army ROTC programs. Students can earn a civil, computer, or electrical engineering degree from Georgia Tech's Regional Engineering Program through SSU. Choose from graduate degrees in social work, public administration, urban studies, and marine science, plus 26 undergraduate degrees in

three colleges: Liberal Arts and Social Science, Sciences and Technology, and Business Administration.

Armstrong Atlantic State University (AASU) offers more than 100 undergraduate and graduate degrees and certificates in the Colleges of Liberal Arts, Education, Health Professions, Science and Technology, and Graduate Studies. Pre-professional programs are offered in business, engineering, dentistry, forestry, law, medicine, occupational therapy, pharmacy and veterinary medicine. Professional programs in civil, electrical,

computer and mechanical engineering and a doctor of physical therapy program in collaboration with the Medical College of Georgia are also offered. The AASU community includes over 7,000 students and seek to provide opportunities for students to build a legacy of leadership and service to others.

Both universities are accredited by the Southern Association of Colleges and Schools (SACS) to award baccalaureate and graduate degrees.
