Organizations not funded by student activity fees may request funds to assist with certain events or programs. The organization must be registered with the Office of Student Programs & Organizations and present a program that satisfies the following requirements.

1. The program must be of general benefit to the student body and participation in the program must be open to all students.

2. The program must fit into one of the following categories
   - Work to unify the campus community
   - Cultivate student leadership
   - Contribute to retention efforts
   - Complement academic programs
   - Promote individual and group self-worth and dignity
   - Promote moral and school spirit

3. The program must have sufficient value to warrant its funding when compared to other programs offered at the University.

4. The program should promote the University's mission of providing services and experience that foster a more enriched collegiate environment.

Organizations must submit and present their proposal to the Student Organizations and Activities Resource (SOAR) committee before funds are allocated. The SOAR committee is composed of 10 students, faculty and staff from a cross population of university community. A MAJORITY VOTE (more than half) from board members present during presentations is needed in order to receive approval. If an organization's request satisfies the above requirements, then the SOAR committee may recommend approval. Of course, the committee and the Center for Student Programs & Organizations reserve the right to review any organization to ensure that they are providing services listed in the requirements stated.
Because the SOAR meets twice a month, all proposals must be submitted in a timely manner to allow ample time for hearings and allocations. Organizations may also request start-up funds for fund-raisers. However, the organizations must sign an agreement to repay the funds at the end of the fund-raiser, regardless to the amount of funds raised. Requests SHOULD NOT EXCEED $2,000.00 during a single presentation. The organization will be held liable for all monies received from the SOAR.

Forms may be picked up at the OFFICE OF STUDENT PROGRAMS & ORGANIZATIONS KING-FRAZIER COMPLEX ROOM 244 or call 912-353-3149 for additional information.
