Choose an item. (if needed)

3. **Course Number:** No specific course targeted.

4. **Course Title:** Free Elective Option

5. **Effective Date:** Fall Year: 2012

6. **Brief Summary of Proposal:** The college of business administration is proposing that we remove the restriction that the free elective must be taken outside of COBA. This requirement was initially needed to meet accreditation standards. This standard no longer affects COBA and having the restriction removed allows more flexibility within our curriculum. Students already explore other topical areas outside of COBA while completing the core and so do not believe this hinders the options of our students.
