

Master of *Business Administration*

Acquire a comprehensive understanding in the functional areas of business and the global environment. Gain the analytical skills necessary for intelligent and ethical decision making in today's organizations. Prepare for careers in management and leadership in the private and public sectors.

The Master of Business Administration (MBA) program provides a practical, rigorous, and academic business foundation. Classes are taught by excellent professors in an environment where real problems can be analyzed and solved.

TOP 5%

The College of Business Administration programs are accredited by Association to Advance Collegiate Schools of Business, (AACSB International) which is the most prestigious and rigorous accrediting body in existence. **Less than five percent** of the business schools in the entire world have achieved this accreditation.

AACSB accreditation reflects academic excellence and a commitment to continuous improvement.

seriously impressive

Master of *Business Administration*

TO APPLY:

MBA program applicants must hold a bachelor's degree from an accredited institution and show promise of high quality work on the graduate level. While there is no specific undergraduate course of study for admission, students must meet the prerequisites for courses offered in the core curriculum. Only completed applications are reviewed by the MBA Office. Completed applications are evaluated according to the following criteria:

- Past academic performance
- Current Official GMAT or GRE Score
- Pre-MBA Program Completion (alternative to the GMAT/GRE)
- Professional work experience

COURSEWORK:

Students are required to successfully complete a minimum of 30 semester credit hours. Class schedules are constructed with high level of flexibility to fit most active life styles. Classes are offered Monday through Thursday evenings, meeting once per week.

The length of the evening MBA program depends on how many classes a student completes per year. Typically, students earn their MBA in two years or less.

- Business & Professional Communications
- Statistics and Quantitative Methods
- Management Information Systems
- Accounting and Decision Making
- Organizational Theory & Behavior
- Managerial Economics
- Managerial Finance
- Marketing Management
- Organizational Leadership
- Strategic Management

APPLICATION DEADLINES:

- Summer: May 1
- Fall: August 1
- Spring: December 1
