Summer Camps 2022

Educational Talent Search (ETS) will host a series of summer programming for middle and high school students during the months of June and July (See list & descriptions below). Only students who are currently enrolled in the ETS program are eligible to participate. Please contact Ms. Zenobie A. Purnell at (912) 358-3478 to enroll and for additional information.

Camp/Course Name	Date	Location	Time	Description
ETS Regular Summer Camp	June 6-24	Virtual	10:30 AM-3:45PM	Students will receive supplemental instruction in academic courses such as Math, Language Arts, and Social Studies. Elective courses include Art, Foreign Language (Spanish), and Spoken Sign Language
Mini Medical Camp	July 11-15	In-Person	9:00 AM- 12:00 noon	The Mini medical school camp will enable students to receive initial exposure to several healthcare careers as well as employability, communication, and technology skills necessary in the healthcare industry. They will explore four systems of the human body and how those systems contribute to the overall function of the body.
Becoming An Effective Leader	July 11-15	Virtual	1:00 PM-1:45 PM	Becoming An Effective Leader course will focus on exploring various leadership styles, intra- and interpersonal relationships, networking, and leadership qualities. Participants will identify and analyze leadership examples in both historical and current life. In addition, they will apply knowledge gained to their own personal leadership concepts.

Camp/Course Name	Date	Location	Time	Description
African American Contributions to World Civilization	July 11-15		2:00 PM-2:45 PM	This course will focus on the rich contributions that Africans societies has made to Europe, Asia, North America, and South America. Participants will explore contributions in science, math, art, music, writing, language, family systems, education, etc. They will examine how these contributions shaped past and present civilizations.
"Build Your Brand" Entrepreneurship 101	July 11-15	In-Person	10:00 AM-12:00 noon	In this course, students will learn the skills needed to start a successful business. Some topics are branding, marketing, financing and so much more. Students will have the opportunity to speak with entrepreneurs from a variety of fields to gain their perspective.
Journalism (The Flag Project)	July 11-29	Virtual		FLAG is a virtual civics program that combines social studies and media arts. Students use photography and text to explore the concepts of democracy and identity in their community. The program teaches students how to document their community, and understand the meaning and power of symbols. The course syllabus concludes with the production of a special edition of FLAG. The publication will feature the student's documentation of their community members' photographs and hand-written statement about America.
ACT/SAT Boot Camp	July 11-29	Virtual	10:30 AM-11:30 AM	Learn how to increase your scores on both the ACT & SAT. Live instructors help you develop strategies for mastering key concepts on exams.

Smile, Shine, & Share Mental Health Camp	July 18-22	In-Person	1:00 PM- 2:00 PM	Participants will learn effective self-care tips, tools, and strategies through group discussion and practical activities. These lively interactive sessions will help participants assess current self-care strategies and identify needs improvement areas in all aspects of their lives to become healthier and happier. In addition, participants will learn how self-care will help them engage in more activities that make them feel connected and supported.
"Say It With Music" Recording & Music Video Camp	July 25-29	In- Person	9:00 AM-12:00 PM	"Say It With Music" Recording and Music Video Camp is STEAM camp and a therapeutic way to engage school age, middle, high school & college students in self-expression by writing and recording their very own song. Thousands of students are missing out on the therapeutic properties of music because school districts can no longer offer it anymore. This music therapy program is structured to benefit children and youth who are in constant transition, dealing with the pressure of absent parents, or at-risk students. When the session is over, each student will receive a CD copy of the song they produced and also film a MUSIC VIDEO to go along with the song.
