Student Speakers

Joseph Hale, College of Business Administration

Joseph Hale was born and raised in Jacksonville, Fla. He attended Bishop Kenny High School and Florida State College in Jacksonville, where he ran three years of collegiate cross country and competed at two national championships. Joseph came to Savannah State University (SSU) in fall 2022 to pursue a degree in business management. He was a member of SSU's cross country team in his first year. In 2023, he joined the United States Coast Guard and he is one of two students at SSU who are part of the College Student Pre-Commissioning Initiative (CSPI). Upon graduation, he will join the Officer Candidate School (OCS) in New London, Connecticut.

Francisco Arraut, College of Liberal Arts and Social Sciences

Francisco Arraut is receiving a degree in mass communications with a concentration in strategic communications and public relations. A pitcher for the Savannah State University baseball team, he is on track to graduate with a 3.8 institutional GPA. Francisco interned with the Atlanta Braves organization in 2023 to help with an initiative to attract young fans to the game. He will be returning to the Braves for a second internship in 2024. A passionate traveler with family roots in Puerto Rico, Francisco has had the opportunity to visit Italy, Spain, Germany, Mexico and Japan during his high school and college years. After graduation, he plans to utilize his public relations skills to build a career with the Braves organization.

Student Speakers

Niya Anderson, College of Education

Niya Anderson is a first-generation college student from Atlanta, Ga. majoring in biology education. She arrived at Savannah State University (SSU) in fall 2022 and has remained on the Dean's List every semester since. She is an Achieve Atlanta scholar, a former intern with the SSU Robert Noyce Internship Teacher Scholarship program, and a member of Delta Sigma Theta Sorority, Inc. She was selected to participate in the Memphis, Tenn. Marjorie Lee Browne STEM Education Fellowship in 2023. Currently she is finishing a year of student teaching at Islands High School in Savannah. Upon graduation, she will join Teach for America, a network of nearly 70,000 leaders focused on providing an excellent education to all children.

Luke Sanders, College of Science and Technology

A student of civil engineering technology, Luke currently serves as the president of the American Society of Civil Engineers and as the secretary of the Student Athlete Advisory Committee. His career focus is on structural design, sustainable practices, and environmental systems. He has contributed to four NSF-sponsored projects, including a presentation at Troy University, Ala.; a Summer Undergraduate Research Fellowship at Purdue University; a presentation in Washington, D.C. for the Dwight David Eisenhower Transportation Fellowship Program; and a presentation at Savannah State University. Luke's leadership and achievements were recognized in 2024 when he was honored with Engineering Technology Student of the Year award from the Georgia Society of Professional Engineers. After graduating from Savannah State University, he plans to pursue a master's degree in civil engineering.

*Board of Regents Academic
Achievement Award Recipient*

Jiwon Choi
Biology

Jiwon Choi is a junior majoring in biology with a minor in applied mathematics. A native of Seoul, South Korea, he attended Jenkins High School and in fall 2021 enrolled at Savannah State University (SSU), where he has been active in biomedical and applied mathematics research. He has worked in multiple research projects, including an NSF-Targeted Infusion Project: Developing a Minor in Applied Mathematics; an NSF-HBCU-UP iApply Program; and an NSF Research Catalyst Grant, among others. He has showcased his research work at various conferences, including the 6th annual Math Research Day at SSU, the 102nd Meeting of the Southeastern Section of the Mathematical Association of America at Conway, S.C.; the 16th annual Troy Math Fest Undergraduate Mathematics Conference at Troy, Ala.; the 2023 Georgia Undergraduate Research Conference; and the 2024 Emerging Researchers National (ERN) Conference in STEM at Washington, D.C. Jiwon also volunteers at the Ronald McDonald House Charities of the Coastal Empire. Upon graduation, he plans to pursue an M.D.-Ph.D. degree.

Alma Mater

Savannah State University Hymn

Let us give thanks and praises to
Our Alma Mater, S.S.U.
Thine honor, pride, and eminence,
We raise in prayerful reverence.

Guide us still from day to day,
Be Thou mindful lest we lose our way;
Help us know that life, short or long,
Means unceasing work for weak and strong.

Refrain:

Where Savannah meets the sea,
Where grassy plains and palms abound,
Where the flow'rs are gems of loveliness,
There S.S.U. is found.
We adore each beauteous scene and hall,
Our all we pledge to Thee!
In our hearts we'll build a shrine for you
We hail Thee, S.S.U.!

Refrain:

Where Savannah meets the sea,
Where grassy plains and palms abound,
Where the flow'rs are gems of loveliness,
There S.S.U. is found.
We adore each beauteous scene and hall,
Our all we pledge to Thee!
In our hearts we'll build a shrine for you
We hail Thee, S.S.U.!

Written by J. Randolph Fisher and Hillary Hatchett. Lyrical revision by LaGina Frazier
