

SAVANNAH STATE UNIVERSITY
COMPREHENSIVE PROGRAM REVIEW (CPR) SCHEDULE
2019 thru 2027

USG 2.3.6 Comprehensive Program Review:

Each USG institution shall conduct academic program review every seven (7) years for undergraduate programs and every ten (10) years for graduate level programs. The Provost or designee in consultation with the Deans will manage the process. Consistent with efforts in institutional effectiveness and strategic planning, each USG institution shall develop procedures to evaluate the effectiveness of its academic programs to address the quality, viability, and productivity of efforts in teaching and learning, scholarship, and service as appropriate to the institution's mission. Institutional review of academic programs shall involve analysis of both quantitative and qualitative data, and institutions must demonstrate that they make judgments about the future of academic programs within a culture of evidence. Planning and conduct of academic program reviews shall be used for the progressive improvement and adjustment of programs in the context of the institution's strategic plan and in response to findings and recommendations of the reviews.
