TRANSPORTATION**

**PARKING POLICIES, REGULATIONS,  
CITATIONS, AND APPEALS**

July 17, 2017

## **I. Vehicle Identification and Liability**

The University has adopted the following regulations to ensure safe, courteous, and orderly vehicle operations and parking on campus. **It is the responsibility of the owner and driver of the vehicle to know and follow these regulations to prevent being cited for any violation.**

Vehicle identification is required in order to purchase a parking permit, for any vehicle operated by a member of the University community on the University campus or any property owned or leased by the University. In accordance with Georgia State Law, any vehicle operated on the campus as well as any other State roadway must contain proof of liability insurance and the driver must possess a current State driver's license. Savannah State University assumes no responsibility, nor creates any liability, for the care and/or protection of any vehicle, or its contents, while it is on campus, whether the activity is academic, extra-curricular, or recreational.

## **II. Vehicle Permits (Decals) and Fees**

A. All students, faculty, and staff who park on campus are required to obtain a University parking permit (go to [www.savannahstate.edu/permit](http://www.savannahstate.edu/permit) and login using your SSU network ID and password), unless the vehicle has a **valid** decal or other type of permit from another University System of Georgia institution (<http://www.usg.edu/inst/>).

B. Individuals may only purchase permits for those vehicles to which they, their spouse, parents or guardians hold the title or lien. **Individuals are responsible for citations written on all vehicles on their account.**

C. All permits expire on August 31 each year or for as long as the student is currently enrolled in classes, or the employee is employed. The subsequent year's permit may be placed on a vehicle prior to August 31.

D. A residential permit is only valid for the current term a student is enrolled and registered to live in University housing. Students moving from one residential facility to another must purchase a new permit for \$10, unless moving from one General Residential Parking ("up-top" location) to another, then the permit can be kept. Students moving off-campus from on-campus or vice-versa must purchase an appropriate new permit for \$10.

E. Unless a reserved parking space is purchased, the purchase of a parking permit does not guarantee parking in a specific space on campus. Reserve parking spaces are reserved 24/7.

F. Permits and Citations are official documents of the University. Persons falsifying, copying, stealing, altering or mutilating an official document will be subject to criminal and administrative action.

G. Cost of permits from July 1, 2017 through August 31, 2018:

Contractors coming onto campus for multiple days must have a special temporary permit made for them by Auxiliary Services. Departments hiring these contractors are responsible for notifying Auxiliary Services of the needed permits. Parking for these contractors will be limited in time and location.

#### I. Temporary Parking Permits

Under the following circumstances, temporary parking permits will be issued from the Auxiliary Services Office in 127 King-Frazier to University community members who have already purchased a permit. In every case, you must bring with you the information required below, and the make, model, and tag (license plate) number of the vehicle. If you find you require a one-day temporary pass, you may download it from the parking portal. **Temporary passes are not provided for employees or students who have not purchased a permit. Please do not request an exemption based on financial need.**

#### J. Parking Restrictions

Savannah State University Parking citations are issued to vehicles that violate the University's parking rules, regulations, and procedures. **The name of the individual listed as registrant is responsible for the violation, regardless of who was driving the vehicle at the time of the infraction.** If fines are not paid, the Bursar's office will be responsible for collections. This means that failure to pay parking citations will result in a student not being permitted to register for classes, graduate, or receive a transcript until the fine is paid. If the violator is a faculty or staff member, any outstanding fine will prevent them from clearing the University upon termination of employment.

On nights and weekends, students bringing to campus a vehicle without a current permit must park outside residential area until a permit is purchased the following business day.

Parking restrictions are in effect 7:30 AM-4:00 PM Monday through Friday on class days, except for parking in residential lots, which is in effect 24/7 and enforced day and night. Individuals who purchase reserved parking permits are also authorized to park anywhere on campus where a legal space is available, except for other reserved spaces or spaces marked for specific purposes, such as for visitors or State vehicles. Reserved spaces may not be enforced during registration, housing move-in, open campus, homecoming, or other major University events.

Additional permits are for the primary permit owner to be able to park an alternative vehicle on campus.

P. The permit **must be affixed to the lower left corner of the driver's side windshield**, using the sticky substance on the permit (tape or other type of affixing is not permitted). The permit goes on the inside of the window. Please be careful not to block your driving vision when affixing the permit.

## **THE PARKING APPEALS BOARD**

The Parking Appeals Board (PAB) is an essential component in assuring that the parking rules and regulations of the University are applied fairly and impartially. The duties and responsibilities of the PAB will be to review appeals for parking citations received on the Savannah State University campus.

## **THE APPEALS PROCESS**

Anyone receiving a parking citation on the Savannah State University campus has a right to appeal the citation to the PAB. The PAB is tasked with the responsibility of reviewing, investigating, and rendering a final decision to either uphold or dismiss the citation. The Board has five members, identified as: one sworn Public Safety Officer, two representatives from the Student Government Association, one staff member, and one faculty member. A student is not eligible to chair the PAB. The person serving in the capacity of chair will be elected by the PAB members at the first meeting. The chair can only serve a maximum of two consecutive academic

years. The PAB shall require the attendance of two members exclusive of the chair or his/her designee in order to convene for business for any appeal. The PAB shall convene at least monthly during the academic year, or as often as necessary to assess and investigate appeals. The PAB may complete their processes by e-mail when time is of the essence. The PAB shall conduct all investigations in compliance with Federal and State Laws, Board of Regents rules and regulations, and Savannah State University policies and procedures.

All appeals must be submitted online at [www.savannahstate.edu/permit](http://www.savannahstate.edu/permit). **The appeal must be received within 10 calendar days from the date of the citation.** The right of appeal is forfeited after the 10 calendar days. The PAB shall render a final decision. The appellant will be notified of the decision in writing within 10 business days following the PAB meeting at which the appeal was heard either via email or United States Postal Service.

When the appellant initiates the appeal process, he or she must indicate why the patroller/officer was wrong or negligent in the performance of his or her duties when the citation was issued. Appealing for reasons such as “late for class, no parking spaces were available, other people were parked there, I’ve always parked there before, etc.” are not justifiable reasons for consideration. Ignorance of the regulations is also not a justifiable reason for appeal. When appealing, the appellant must adhere to the following policies and procedures:

- Submit appeal request online at [www.savannahstate.edu/permit](http://www.savannahstate.edu/permit).
- After 10 calendar days, the right to appeal is forfeited.
- Upload and attach to the online appeal electronic request any and all related material to justify your request, including tickets and receipts.
- If the PAB needs additional information, you will be notified via email and/or phone to submit the requested additional information.
- Only appellants can appeal their own citations, not friends, relatives, roommates, etc.
- Potential graduates’ rights to appeal a citation within one month of his/her graduation are forfeited. A reminder notice will be sent to all potential graduating seniors with parking permits. Parking fines must be paid in full in order to graduate or receive transcripts.
- **PAB decisions are final and are not subject to additional review.**
- Regardless of whether an appeal is submitted or not, the citation to which it pertains is due and payable when the citation was issued. If/when a citation appeal is overturned, then amount paid will be credited to the citation charge on the parking account and posted to PAWS (student account).
