FORWARD

The Division of Student Affairs is pleased to provide you with the 2018-2019 edition of the student handbook. This handbook is indicative of our commitment to a “student centered” philosophy that puts students at the heart of what we do as a University to promote success. The handbook serves as a resource for many important University matters, including institutional traditions, student activities, strategies that promote student development and learning, and the code of student rights, responsibilities, and Conduct. The handbook was developed through the cooperation of faculty, staff, students, the Division of Student Affairs, the Student Affairs Committee of the Faculty Senate, and the President’s Administration. You are encouraged to become familiar with the information contained in this handbook as you begin your Savannah State University experience.

The handbook is intended to introduce students to their obligations and responsibilities as members of the University community and will supplement other Savannah State publications that more completely address all policies, procedures, and regulations for every area of the University. You are strongly encouraged to use the University’s Undergraduate General Catalog and other published documents in concert with this handbook. Together, these documents will help make you an informed, knowledgeable, and successful “Tiger”.

Finally, we wish you well in your academic, social, and personal pursuits. During your time at Savannah State University be sure to strike the right balance between academic and out of class activities. The quality of your experience depends on how well you accept the responsibility of undertaking these pursuits and other adult-life endeavors.

As a Savannah State University student, you will be afforded every opportunity to learn, grow, and develop. While the student and the University are partners in student learning and development, it is up to you to take advantage of all that is offered.

ABOUT SAVANNAH STATE UNIVERSITY

Savannah State University (SSU) is the oldest public historically black college or university in the state of Georgia and the oldest institution of higher learning in the city of Savannah. The school was established in 1890 as a result of the Second Morrill Land Grant Act, which mandated that southern and border-states develop land-grant colleges for black students. Later that year, the Georgia General Assembly passed legislation creating the Georgia State Industrial College for Colored Youth, which served as Georgia's 1890 land-grant institution until 1947. A preliminary session of the Georgia State Industrial College was held in the Baxter Street School Building in Athens, Ga., before moving to Savannah in October 1891. Richard R. Wright, Sr., was appointed the first president of the institution in 1891, which opened with five faculty members and eight students.

The college awarded its first baccalaureate degree in 1898 to Richard R. Wright, Jr., the son of the founding president and ninth president of Wilberforce University. Cyrus G. Wiley of the class of 1902 was the first alumnus to become college president in 1921, the same year the first female students were admitted as residents on campus. In 1928, the college became a four-year, degree-granting institution, ending its high school and normal school programs.

Upon the creation of the University System of Georgia (USG) in 1932, the college became one of the first members of the system and its name was changed to Georgia State College. Its name changed again in 1950 to Savannah State College, and the institution received initial accreditation from the Southern Association of Colleges and Schools (SACS) in 1955. The USG Board of Regents elevated the college to university status in 1996 and renamed the institution Savannah State University.

VISION

Savannah State University will become the institution of choice in our region, where students maximize their potential in a nurturing environment that embraces social and intellectual diversity. The university will create an efficient, student-centered culture responsive to the needs of its stakeholders, supportive of ideals and ethical verities, and loyal to its rich legacy and heritage.

MISSION

Savannah State University, the oldest public historically black university in the State of Georgia, develops productive members of a global society through high quality instruction, scholarship, research, service, and community involvement. The University fosters engaged learning and personal growth in a student-centered environment that celebrates the African American legacy while nurturing a diverse student body. Savannah State University offers graduate and undergraduate studies including nationally accredited programs in the liberal arts, the sciences and the professions.

SAVANNAH STATE ETHOS

During the 2002 Spring Semester, a group of students participated in the inaugural Rites of Passage Leadership Program. The program, spearheaded by the Center for Leadership & Character Development and the Leadership Education & Development Fund, was a leadership retreat designed to focus on the distinctive values, beliefs, attitudes, and practices that men and women at the University are expected to commit to during their collegiate experience. As a historically black institution with a rich heritage of educating the whole person, the university's culture or its ethos must be characterized by a set of principles. It was primarily for this reason men and women elected to participate in the retreat at the Penn Center on St. Helena Island, SC on April 12-14, 2002. The outcome of the program was a Statement of Ethos for Men and for Women. The students who developed the ethos statements encourage all students to dialogue and incorporate the principles daily. The University wishes to acknowledge the students who spent a substantial amount of reflective, critical, and analytical time developing the statements for their fellow students. Several retreat speakers helped students conceptualize the ethos statements: (1) Dr. Na'im Akbar, Professor of Psychology at Florida State University; (2) Muhammed Akil, President & Chief Executive Officer of Lost Link Enterprises, Inc.; (3) Dr. Rubye Braye, a decision scientist and President of JIL Group; (4) Rev. Tyrone Crider, former Coordinator of Voter Registration for the 1984 and 1988 Jesse Jackson Presidential Campaigns; (5) Dr. Lee Jones, Associate Dean of the College of Education at Florida State University; (6) Mrs. Jessica Care Moore, poet and lecturer; and (7) Dr. J. Allen Zow, Executive Assistant to the President and legal counsel at Savannah State University.

STATEMENT OF ETHOS FOR MEN

We rise this day determined for a cause and justified in its purpose that as men of Savannah State University our mission has been predestined in a history of great men to strive for excellence, both academic and personal. Further, we recognize that we are often defined by our actions; as such, we hold fast to that which is good. As we strive to emerge triumphantly, through the challenges that life may bring, our pride will be a result of the path that we have chosen. Specifically, we commit ourselves to the following:

- Self-respecting and uplifting of our fellow men;
- Providing just, equitable, and equal treatment of women;
- Engaging in personal growth and development, whether it is academic, social, cultural, spiritual, or recreational;
- Promoting the positive image of this great institution; and
- Recognizing that diverse peoples, cultures, and views will enhance the educational experience.

Therefore, in refusing to commit to failure, but in accepting our pronouncement to revolutionize our social establishments with humility, we shall strive for spiritual perfection and greater service and be an instrument for the dissemination of knowledge. We, the men of Savannah State University, pledge ourselves to these words with integrity and in good faith. Furthermore, we will diligently carry out all that is expected of us and to finally remember and give gratitude to our great alma mater.

- Present themselves in a modest and respectable manner and understand that certain expressions of clothing in a classroom or another setting could communicate undesirable messages;

- Create a stimulating and intellectually challenging environment by committing to help a fellow sister excel in academic study sessions and by helping others communicate in a mature manner.

The women of Savannah State University are committed to the following:

ACADEMIC SETTING AT THE UNIVERSITY

ACADEMICS. The Savannah State University Undergraduate Catalog provides academic information. A copy of the catalog may be viewed online at: <http://www.savannahstate.edu>. The Registrar's Office publishes a schedule of courses that provides the time, place and the instructor of record. Information is also provided about registration, dropping and adding courses, and official withdrawal from the University, as well as program and degree information.

CLASSIFICATION. Students are classified on the basis of earned academic credit hours:

Freshman:	fewer than 30
Sophomore:	31 - 60
Junior:	61 - 90
Senior:	more than 90 credits

THE CO-CURRICULAR TRANSCRIPT. The purpose of the Co-Curricular Transcript is to help keep a written, cumulative record of student involvement at Savannah State University. The need for such a program is to encompass all volunteer work, community service, and service learning activities in a centralized and organized way via the Banner Student Information System. The intent of this program is to encourage more students to get involved in student activities, programs and civic duties. In return it will assist in student retention and support the overall mission of the Division of Student Affairs and Savannah State University. Students will enjoy having their entire academic as well as non-academic information on their official university transcript. As such, a Co-Curricular Transcript would be of value to students when applying to graduate schools or professional positions in the future.

INTELLECTUAL DIVERSITY. Savannah State University provides an intellectually diverse learning and living environment that enables students and all who come under its influence to become innovative and critical thinkers, problem solvers, and responsible citizens. Believing, as stated by the American Council of Education that "intellectual pluralism and academic freedom are central principles of American higher education," the university supports the rights of faculty to academic freedom as set forth by the American Association of University Professors (AAUP) and the principles of intellectual diversity as set forth in "Academic Rights and Responsibilities, a statement issued by the American Council on Education on behalf of 30 higher education organizations". In the learning and living environment at Savannah State University, the rights and responsibilities of teachers, as well as the rights and responsibilities of students, are upheld and protected.

STUDENT ACADEMIC RIGHTS AND RESPONSIBILITIES. In an environment that is free of intimidation or other disadvantage, students have the right to learn and inquire, including opportunities to express opinions, ideas, and/or ideologies that may be different from those of the teacher. At all times, students are expected to comport themselves in an orderly and respectful manner. To this end, the following specific rights exist for students:

1. It is the right of every student to know, at the beginning of each semester, all of the policies and procedures that will be used to determine his/her grade.
2. Students have the right to expect that instructors will demonstrate a mastery of their subject and that teachers will be open to discussions of varying points of view, perspectives, and/or ideologies in a civil and collegial environment.
3. Students have the right to classes that are not used by instructors to propagate their personal views or to indoctrinate students.

4. Students who believe that their academic rights have been violated should first seek redress via discussion with the offending party. If the offender is the instructor, the student should first discuss his/her discontent with the instructor, followed by the department chair, the dean, and the Provost/Vice President for Academic Affairs. Should satisfactory redress still not be achieved, the student should contact the University Ombudsperson to seek mediation or to file a formal complaint.
5. When/if students determine that the university is not honoring its commitment to intellectual diversity; they are obligated to report such to the Ombudsperson's Office.

CLASSROOM BEHAVIOR. Student classroom behavior is a growing concern to faculty and unfortunately more students engage in inappropriate behavior which is disruptive and/or threatening to the educational environment. Savannah State University takes seriously its commitment to fostering and maintaining an educational environment conducive to student learning and academic success. As such, the following disruptive classroom behavior (and in some instances other learning environments) policy is demonstration of the university's high expectations that students govern their behavior and actions in the classroom setting responsibly and civilly.

Disruptive student behavior, for purposes of this policy, is defined as but not limited to, verbal or physical threats, repeated obscenities, unreasonable interference with class discussion, making/receiving personal phone calls, text messages or pages during class, excessive tardiness, leaving and entering class frequently in the absence of notice to instructor of illness or other extenuating circumstances, and persisting in disruptive personal conversations with other class members. Student behavior in a classroom or other learning environment includes on and off-campus locations, which disrupts the educational process. In addition, it may also be considered disruptive behavior for a student to exhibit threatening, intimidating, or other inappropriate behavior toward the instructor or classmates outside the class.

The Office of Student Conduct encourages members of the university community to try to resolve problems informally whenever possible. When disruptive behavior occurs in the classroom, the instructor is encouraged to make reasonable effort to address the disruption with the student, preferably in private. Both the instructor and student may consult the Office of the Ombudsperson or the Office of the Dean of Students to discuss ways to resolve the situation informally. Should the instructor elect to withdraw the disruptive student from a course, the following procedures should be followed. Where there is individual college or academic units' supplementary procedures to deal with disruptive student behavior, it should be consistent with this policy. Otherwise, this policy shall prevail with respect to disruptive behavior in the academic setting.

When disruptive behavior occurs:

1. The instructor will orally warn the student that his/her behavior is disruptive and that it is to cease immediately or the student will be removed from the class.
2. If the student fails to comply with instructor's verbal warning, the instructor may require the student to immediately leave the class for the remainder of the session. Student refusal to leave the class warrant summons of campus police to remove the student.
3. The instructor may immediately summon campus police to remove a student if the instructor believes the disruptive behavior poses an immediate threat to the safety of the instructor, the student, or any other students or persons. The instructor should immediately report the incident to the Office of Student Conduct for review with respect to whether the student's behavior poses an imminent threat to self or others such that he/she should be removed from the university, pending disciplinary proceedings.
4. If the instructor chooses to allow the student to return to the class and continue the course, the process is resolved.

ELECTRONIC COMMUNICATIONS & UNIVERSITY E-MAIL. Savannah State University does not routinely monitor electronic communications passing through campus servers. However, e-mails that pass through these servers may be automatically stored for a period of time. These e-mails may also be stored in other locations. The stored e-mails are subject to state and federal laws concerning law enforcement investigations, court discovery requests, University investigations, network diagnostics, and the Open Records Act. Similarly, while the University does not routinely monitor Web page visits, such data may be collected pursuant to the needs of law enforcement authorities. Also, such data may be automatically stored on individual computers. Accordingly, Savannah State University cannot and does not guarantee the privacy of any e-mail message or Internet session sent from or received at any campus computer.

STUDENT LIFE AT THE UNIVERSITY

THE IMPORTANCE OF STUDENT INVOLVEMENT. The experts in the area of student affairs suggest that the typical undergraduate student – one who attends the institution on a full-time basis, resides on-campus, and is between the ages of 18-22 – spends approximately 15 hours per week in the classroom. Although the bulk of the remaining 153 hours is typically spent on personal matters and with peers, Savannah State University expects that students will devote a considerable amount of this time to academic pursuits. After all, the purpose of institutions of higher education is the pursuit of knowledge and truth and the development of critical, analytical, reflective, and other skills. The University also recognizes that important student development takes place outside the classroom and laboratory settings. The University seeks to provide an environment where there are rich opportunities for interpersonal, social, cultural, and recreational activities. Inasmuch as Savannah State University will provide the facilities, resources, programs, and activities for these learning and developmental opportunities to occur, it is ultimately up to the student to take advantage of what is provided. The effectiveness of student life - the 153 hours or so spent outside of the classroom is directly linked to the extent to which students are engaged in quality co-curricular events, whether informally or formally and whether student-or University-provided. This section of the handbook describes certain areas of student life. Students are encouraged to become familiar with these areas, but also to create their own meaningful student life experiences.

TRADITIONS, CUSTOMS, & PRACTICES. The nature of a college or university is as much a matter of its culture – its traditions, ceremonies, customs, and practices – as its organizational structures, policies, and practices (Kuh and Associates, 1991). Savannah State University has a particularly rich culture. Through cultural perspectives, such as ceremonies, traditions, customs, and practices, one may better understand the uniqueness of the university. Below are certain cultural artifacts of Savannah State University. More exist and others will be created as the University continues to evolve. Embellish these cultural artifacts, but also get involved and participate in them.

ALMA MATER: “WE HAIL THEE S.S.U.”. The alma mater is the institution’s revered hymn. Through song, it conveys what is ideologically special about Savannah State University. Given its importance, during the alma mater, students and others are expected to stand and to be respectful by acting in civil and non-disruptive manners. Men are expected to remove their hats during the alma mater.

SAVANNAH STATE UNIVERSITY HYMN

Written by J. Randolph Fisher and Hillary Hatchett

Let us give thanks and praises to
Our Alma Mater, S.S.U.
Thine honor, pride and eminence,
We raise in prayerful reverence.
Guide us still from day to day.
Be Thou mindful lest we lost our way;
Help us know that life, short or long,
Means unceasing work for weak and strong.

Refrain

Where Savannah meets the sea,
Where grassy plains and palms abound
Where the Flow'rs are gems of loveliness,
There S.S.U. is found.
We adore each beautiful scene and hall,
Our all we pledge to Thee!
In our hearts we'll build a shrine for you
We hail Thee, S.S.U!

COMMENCEMENT. Savannah State University holds two formal commencement ceremonies each year in May and December for students scheduled to graduate at the end of the spring and fall semesters. Candidates for degrees may participate in the graduation ceremony only after they have completed all of their coursework, have received passing final grades, and have met all of the academic requirements pertinent to the degree to which they aspire. This includes satisfactory completion of theses, internship requirements and exit exams. Candidates for degrees must show that they have met all general University requirements for such matters as registration, payment of fees (e.g., library, financial aid, housing) and special requirements of the college or school in which they have been registered. The University expressly reserves the right to deny participation in commencement and withhold the degree of any student who has completed all academic requirements, when disciplinary charges are pending or when there is a pending disciplinary action equivalent to suspension or expulsion. SSU makes every attempt to inform degree candidates prior to commencement if they have not met requirements for graduation. The inclusion of a candidate or the candidate's name in matters related to commencement (including the commencement program) does not waive or change the requirements stated above and a candidate will be excluded from participation for failure to meet requirements when discovered. Please see the Office of Academic Affairs for additional information.

Hardwick III Student Organization of the Year Award is meant to bring significant honor to a university-recognized student club or organization that has made an exceptional and distinctive impact on its members, the university, and the community. The Finish Strong Finals Week Program is designed to support students' mental, emotional, and physical well-being as they complete the academic semester during finals week. An annual tradition, this event features a midnight breakfast and snack breaks, relaxation activities, tutorial sessions, and subject specific study groups throughout the week.

MISTER & MISS SAVANNAH STATE UNIVERSITY (MR. SSU & MISS SSU). Mr. & Miss SSU serve as official ambassadors of the university and serve on the Student Government Association executive board. Their duties to the institution include representing the university at official functions as designated by the division of student affairs. All activities and appearances are organized by the advisor (full-time staff member(s) assigned by the vice president for student affairs).

NEW STUDENT WEEK OF WELCOME (WOW). At the beginning of each academic year, various University offices and program collaborate to present a New Student Welcome program. The program is designed to introduce new students and their families to the University. Typically a three-day event, the program consists of formal and informal activities to indoctrinate students to the University's history, aims and purposes, current programs, and traditions.

OUTSTANDING STUDENT LEADERSHIP & SERVICE RECOGNITION PROGRAM. Because student leadership, service, and volunteerism is explicitly valued and promoted at Savannah State University, a campus-wide Outstanding Student Leadership & Service Recognition Program is held in the spring. The purpose of the program is to publicly honor the outstanding contributions that students have made to the University, community, and the organizations in which students are involved. Any registered student club or organization can self-nominate and select up to two individuals to publicly honor for the outstanding contributions the individuals have made to the organization, community, or the University. Each registered student group is asked to complete and return the Outstanding Student Leadership & Service Recognition Form to the Division of Student Affairs.

The President's Second Mile Award is meant to bring significant honor to a graduating senior who has exemplified stellar and meritorious character and values in both leadership and community service. The criteria for the award are available in the Division of Student Affairs.

UNIVERSITY MASCOT. The "Tiger" is the official mascot of Savannah State University. Typically, the "Tiger" can be spotted at certain intercollegiate events. Beware, as the Tiger is ferocious!

STATEMENT ON PROHIBITED TRADITIONS, CUSTOMS, & PRACTICES.

Savannah State University recognizes that the above-referenced and other traditions, customs, and practices, add value to the collegiate experience. These traditions are welcomed and encouraged. The University, however, strictly prohibits and will not tolerate traditions, customs, and practices that involve hazing of any kind, that interfere with the academic and personal development of students, that are anti-social, or that compromise students' safety and well-being.

The University will discipline clubs and organizations, including Greek-letter organizations, that engage in underground and clandestine activities and groups that are developed for the purpose of initiation into a club or organization. Students who engage in such activities as well as any form of hazing are subject to suspension from the University, regardless of classification, status, or length at the University. Suspension in these and all other matters, when the sanction is imposed, takes effect immediately.

STUDENT SPECIAL FEES. Special charges are defined as those fees and charges that are paid selectively by students. These fees and charges may include, but are not limited to resident hall deposits; penalty charges; non-mandatory parking fees and parking fines; library fines; laboratory fees; post office box rentals; and supplemental course material fees to cover specific cost. Institutional presidents are authorized to establish and adjust these fees, as appropriate (see BOR Policy 7.3.2.2).

STUDENT ACTIVITIES ALLOCATIONS BOARD (SAAB). The Student Activities Allocations Board (SAAB) at Savannah State University is made up of students, faculty and staff. Representatives from the student body are recommended by the Student Government Association to the Director of Student Life and represent 50% of the board. The SAAB nominates a student representative to serve as chairperson to preside over the allocation processes. The SAAB will define the allocation process for student fees and make recommendations for allocations of student activities fees to the President. The Student Government Association and the Office of Student Life will ensure that this process occurs annually.

STUDENT ORGANIZATIONS & ACTIVITIES RESOURCES BOARD (SOAR). Organizations not funded by student activity fees may request funds to assist with certain events or programs. The organization must be registered with the Office of Student Life and present a program beneficial to the student body. Participation in the programs must be open to all students. The program must also have sufficient value to warrant a more enriched collegiate environment. The Student Organizations and Activities Resources Board (SOAR) is composed of students, faculty, and staff from a cross population of the campus community. Their job is to review and hear proposals submitted before the board for special allocations. If allocations are made, the organization must agree to adhere to the regulations made by the board. In order for proposals to be reviewed, they must be submitted to the chairperson of the SOAR Board, the Student Government Association Vice President, at least one month in advance of the program/event date.

STARTING A NEW STUDENT ORGANIZATION OR CLUB. Consistent with the University's view that involvement in educationally and socially purposeful out-of-class experiences enhance the collegiate experience, students are encouraged to establish meaningful student clubs and organizations that are consonant with the goals and objectives of the University. That said requests to create a new student organization must be submitted to the Coordinator of Student Activities for review. The Coordinator of Student Activities will appoint a New Student Organization Committee (NSOC) and serve as chairperson. Consistent with institutional practices related to appointments to university committees, the NSOC will be comprised of faculty, staff, and students.

ANNUAL REGISTRATION & MEMBERSHIP IN A STUDENT CLUB OR ORGANIZATION. In order to receive university recognition as a current student club or organization, each group must register with the Office of Student Life by the third week of class during the fall semester. The Office of Student Life has a document that details the information that is needed from all student organizations that intend to register with the university. Annual Registration forms are located in the Office of Student Life. Students are free to reasonably join and associate with clubs and organizations of their choosing, consistent with the membership requirements of such groups. The University, however, does not condone nor expect student clubs and organizations to discriminate on the basis of race, ethnicity, religion, disability, national origin, gender, marital status, political affiliation, or cultural lifestyle in the selection of its members, except in cases where gender or physical condition are bona fide qualifications.

ANNUAL REGISTRATION & MEMBERSHIP INTAKE FOR FRATERNITIES & SORORITIES. Savannah State University seeks to maintain a long relationship with its collegiate fraternities and sororities. The first Greek-letter organization was established at the University in 1949, and since that time Greek-letter organizations have continued to flourish. The relationship between the University and the Greek-letter organization is one that must be mutually beneficial. Greek-letter fraternities and sororities must enhance the quality of student life by providing a range of meaningful opportunities for individual growth and development. The University will seek to embrace such groups as integral student organizations when their principles and practices are consistent. Upon receiving written approval from the Office of Greek Life, each Greek-letter organization may conduct its membership intake activities in strict compliance with both University and national rules and regulations. In order to receive university recognition as a current student club or organization, each group must register with the Office of Greek Life by the third week of class during the fall semester. The Office of Greek Life has a document that details the information that is needed from all Greek-letter organizations that intend to register with the university. Annual Registration forms and guidelines are located in the Office of Greek Life. Guidelines that govern membership intake for fraternities and sororities can be accessed through the Office of Greek Life.

POLICY CONCERNING AUXILIARY GROUPS. No student organization may sponsor or support an auxiliary group in any form. An auxiliary group is viewed as a supplemental group to an organization in which, for whatever reason, the participants are ineligible to become full members of that organization. These include, but are not limited to the following: little sisters, big brothers, favorites, friends of the chapter, etc. Under no circumstances will a rush, or recruitment activity, be held to recruit individuals for auxiliary organizations. This includes recruiting non-members to do things for the organization in exchange for some type of honor or recognition. Individuals who affiliate with auxiliary groups are also in violation of this policy and can be referred to the Office of Student Conduct.

UNIVERSITY-SPONSORED OFF-CAMPUS TRIPS. Off-campus trips that are sponsored by the University or are activities of University clubs and organizations complement the educational experience. Students and the accompanying faculty, staff and/or mentor are required to complete a Student Waiver for Educational & Cultural Trips one week and no less than 48 hours prior to departing the University and secure the approval of the Vice President for Students Affairs or designee. The purpose of the waiver is to express that typically the student traveler assumes any and all liability for his/her personal safety and well-being. The waiver is available in the Office of Student Life, the Division of Student Affairs and on the Student Affairs Website (Forms). University-sponsored or related trips require that a member of the faculty or staff accompany students. Students must abide by all instructions provided by the University representative throughout the duration of the trip. Traveling on University-sponsored or related trips includes the requirement that students return with the group. One-way travel is not permitted, unless the Vice President for Student Affairs grants prior approval. More importantly, throughout the trip students are expected to demonstrate civil, responsible, and ethical behavior and follow all University rules and policies.

POLICY STATEMENT REGARDING THE SUPERVISION OF STUDENT ACTIVITIES.

The Division of Student Affairs, through the Office of Student Life, is primarily responsible for the execution and supervision of student activities. In particular, the Office of Student Life assists students in establishing and maintaining student clubs and organizations and in planning and evaluating events and activities. In order for a student club or organization to receive institutional recognition, an on-campus advisor must be selected to help guide the organization in meeting its goals and objectives. The Office of Student Life houses the forms necessary to establish and to annually register all student clubs and organizations. Given the value the University places on involvement in student activities, Savannah State University will not tolerate student-perpetuated traditions, customs, practices, or behavior that involve hazing of any kind, that interfere with the academic and personal pursuits of students, that are anti-intellectual or anti-social, or that compromise the institution's or student's well-being.

Student organizations or members affiliated with student organizations must adhere to the Code of Student Conduct. The University reserves the right to withdraw institutional recognition of student clubs and organizations should such groups engage in practices or behaviors that work against the educational mission of the institution, including hazing. Student clubs and organizations must also be cognizant that the university itself does not discriminate on the basis of race, religion, color, physical disability, national origin, sex, marital status, political affiliation, or age. The University has high expectations that student clubs and organizations will align themselves with the institution in adhering to this policy.

POLICY STATEMENT REGARDING GUIDELINES FOR ON-CAMPUS SOCIAL EVENTS. The University takes seriously its commitment to create a pleasant campus environment conducive to the safety and well-being of its students. To achieve this aim:

1. The advisor of record or his/her designee must be present at the social event from start to finish.
2. Music including profanity and/or vulgar language is strictly prohibited during on-campus social events. Organizations are responsible for notification to DJ services of this policy.

BOARD OF REGENTS POLCY 4.6.1-WITHDRAWAL OF RECOGNITION OF STUDENT ORGANIZATIONS. The Board of Regents has determined that the use of marijuana, controlled substances, or other illegal or dangerous drugs constitutes a serious threat to the public health, welfare, and academic achievement of students enrolled in the USG. Therefore, all student organizations, including but not limited to societies, fraternities, sororities, clubs, and similar groups of students which are affiliated with, recognized by, or which use the facilities under the jurisdiction of USG institutions, are hereby charged with the responsibility of enforcing compliance with local, state and federal laws by all persons attending or participating in their respective functions and affairs, social or otherwise. As provided by the Student Organization Responsibility for Drug Abuse Act, any such student organization which, through its officers, agents, or responsible members, knowingly permits, authorizes, or condones the manufacture, sale, distribution, possession, serving, consumption or use of marijuana, controlled substances, or other illegal or dangerous drugs at any affair, function, or

activity of such student organization, social or otherwise, is hereby declared to be in violation of the laws of this state and shall have its recognition as a student organization withdrawn and, after complying with the constitutional requirements of due process, shall be expelled from the campus for a minimum of one (1) calendar year from the date of determination of guilt. Such organization shall also be prohibited from using any property or facilities of the institution for a period of at least one (1) year. Any lease, rental agreement, or other document between the Board of Regents or the institution and the student organization that relates to the use of the property leased, rented, or occupied shall be terminated for knowingly having permitted or authorized the unlawful actions described above. All sanctions imposed by this policy shall be subject to review procedures authorized by the Board of Regents (Article VIII of the Bylaws). An appeal to the Board of Regents shall not defer the effective date of the adverse action against the student organization pending the Board's review unless the Board so directs. Any such stay or suspension by the Board shall expire as of the date of the Board's final decision on the matter (BoR Minutes, 1989-90, p. 384). This Policy amendment is intended to implement The Student Organization Responsibility for Drug Abuse Act of 1990. (Ref. <http://www.usg.edu/policymanual/section4/policy/4.6>)

UNIVERSITY RECREATION & WELLNESS ACTIVITIES. The University encourages students to get involved in campus intramural and recreation activities. The University's Recreation and Wellness Program provides activities for students who enjoy a structured approach to recreational activities. Recreation activities include flag football, basketball, volleyball, swimming, and horseshoe, 3 on 3 basketball, billiards, softball and table tennis. Because the University is affiliated with the National Intramural and Recreation Sporting Association, students at Savannah State University are eligible to compete in regional and national intramural competitions against other colleges and universities. Through the Wellness Programs, students have access to health and wellness programming that includes weight training, aerobics, jogging, and health assessments. Additional activities may be added according to student interests. Open recreation hours provide opportunities for students to participate in activities on an informal basis. Willcox-Wiley Gymnasium, the Body Shop, Wright Stadium, the Tiger Arena Athletic Recreation Complex, swimming pool and the tennis courts are some of the venues for such leisure activities. A valid student identification card is required for access into these facilities.

LEISURE ACTIVITIES ON THE FELIX ALEXIS CIRCLE. The Felix Alexis Circle is an ideal place for leisure and informal activities, though it is occasionally used for formal programs and events. The University encourages students to take advantage of it for both informal and formal gatherings. In cases when students and/or student organizations seek to use it for formal gatherings, a space reservation form must be completed and submitted to the Office of Student Life. Grilling activities are only permitted upon approval, in designated spaces and on approved equipment as determined by the Office of Student Life. The University assumes no liability for any injuries or accidents associated with grilling. Students are encouraged to exercise great care and caution with all activities. The Felix Alexis Circle is the property of the Board of Regents. Inasmuch as there are Greek-letter and other organizational plots located on the Circle, no fraternity, sorority or organization has exclusive rights to areas on the circle. All students and visitors to the University have FULL access to benches, shaded areas, and other locations throughout the Felix Alexis Circle. This includes all fraternities, sororities and/or other organizations. All fraternities, sororities and organizations that have designated plot areas must be registered with the University and must keep the area free of trash, debris and loose equipment. Music including profanity and/or vulgar language is strictly prohibited during on-campus social events; all music should not interfere with class instruction. Organizations are responsible for notification to DJ services of this policy.

GUIDELINES & TIPS FOR STUDENT SAFETY AND SECURITY. The University takes seriously the safety and well-being of members of the University community and guests and visitors of the University. It complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1990, which require, in part, the University to report certain crimes to both students and the U.S. Department of Education. The Department of Public Safety is the unit responsible for public safety, though everyone is encouraged to work collaboratively to ensure the campus is a safe and comfortable environment. Below are some guidelines and practices to enhance safety efforts. Listed below are general safety tips for members of and visitors to the University campus:

1. Immediately report any crime, suspected crime, or suspicious circumstances/persons to the Department of Public Safety, day or night.
2. Never leave personal property unattended. Lock the door when leaving your room. Always take your possessions with you when moving about in the library, cafeteria, classrooms, or offices.
3. When walking on-or off-campus after dark, employ the “buddy system” and walk with friends. Also, let friends know when and where you are going, how long you will be gone and when you expect to return. Let your friends know with whom you will be spending time. This alerts them if you are overdue and gives them a reference point to locate you.
4. Park your vehicle in a lighted parking area designated for students. Always lock your vehicle. Never leave valuables visible inside your vehicle; instead, secure such items in the vehicle trunk. If you are planning to be away from your vehicle for an extended period, never transfer valuables to the trunk in the presence of others. Always remember to remove your keys from the ignition.
5. Properly lock and secure your bicycle to a bike rack, utilizing a strong chain and lock.

STUDENT NICKNAMES. In as much as the University considers nicknames as informal terms of endearment, students are strongly urged to learn the first and last names of their friends and acquaintances. There are instances when knowing a student’s “real” name can help properly identify the student to campus police, emergency medical personnel, or residence hall staff.

EMERGENCY CALL BOX LOCATIONS. Emergency call boxes are located around the campus to provide direct immediate communication links with the Savannah State University Department of Public Safety at any time of the day or night. Emergency call boxes are identified by a blue light and red EMERGENCY lettering on each side.

REPORTING A CRIME OR SUSPICIOUS BEHAVIOR. All crimes as well as any suspicious activity that occur on the campus of Savannah State University should be reported immediately to the Department of Public Safety by calling 358-3004/356-2186 or by visiting the department in-person. The Department of Public Safety, which is located in Harris Hall, operates 24 hours a day. The Department of Public Safety handles emergencies as well as routine telephone and radio communications through a radio dispatcher. Utilizing radio communication with the local 911 center, the department provides prompt response to medical, fire and other emergencies. The telephone numbers for contacting the Department of Public Safety are as follows:

EMERGENCY	911 OR 912-358-3004
NON-EMERGENCY	912-358-3010
GENERAL INFORMATION	912-356-2186

Confidential and anonymous information can be reported to (912) 358-3004 (Savannah State University Department of Public Safety) or local-based Campus Crime Stoppers at (912) 358-3014. Should an assault occur, particularly of a sexual nature, contact the Department of Public Safety immediately. In such a circumstance, it is advised against clearing or removing any evidence that could be used to pursue the case for a successful adjudication in court. The Department of Public Safety in conjunction with the Office of Student Affairs will arrange treatment and counseling.

GUNS ON-CAMPUS POLICY. No person is permitted to carry a handgun or other firearm on campus, unless they are 21 year of age or older, have a State of Georgia Concealed Weapons Permit, and the weapon is actually concealed. Beginning on July 1, 2017 House Bill 280 allows anyone who is properly licensed in the State of Georgia to carry a handgun in a concealed manner on property owned or leased by public colleges and universities, with some exceptions as explained below. It will not allow any other type of gun to be carried around campus; nor will it allow handguns to be carried openly. (House Bill 280 does not apply, however, to institution-sponsored events or excursions away from campus on property not owned or leased by a University System institution.)

The statute defines concealed as “carried in such a fashion that does not actively solicit the attention of others and is not prominently, openly, and intentionally displayed except for purposes of defense of self or others.” A license-holder therefore may carry a handgun while it is substantially (“but not necessarily completely”) covered by an article of clothing he or she is wearing, or contained within a bag (“of a nondescript nature”) he or she is carrying, or in another similar manner that generally keeps it out of the view of others.

There are a number of exceptions to the new law that limit the places on campus where handguns may be carried. Even license-holders may not carry a handgun into the following locations on college/university-owned or leased property:

- a. Buildings and property used for athletic sporting events. This exception includes stadiums, gymnasiums and similar facilities in which intercollegiate games are staged (but does not extend to so-called “tailgating” areas where fans may congregate outside the gates of the sports facility). It does not extend to student recreation centers and similar facilities that are not used for intercollegiate games.
- b. Student housing facilities including residence halls and similar buildings where students live such as fraternity and sorority houses. (Note that any housing that is not on property owned or leased by a University System institution is not covered by House Bill 280.)
- c. Spaces – including any room, continuous collection of rooms or outdoor facility – that are used for preschool or childcare. In order to qualify, preschool and childcare spaces must have controlled access (meaning access via personnel stationed at the door or an electronic mechanism) limited to authorized people.
- d. Rooms and other spaces during the times when they are being used for classes in which high school students are enrolled, whether through dual enrollment and programs such as Move On When Ready or through college and career academies or other specialized programs such as Early College. License-holders who want to carry handguns to class will need to visit the institution’s registrar or other designated employee, who after verifying their enrollment status will tell them which of their classes, if any, have high school students enrolled. Institutions shall not, however, keep any listing of those who inquire. (Note also that the names of enrolled high school students may not be revealed in accordance with applicable privacy laws.) It is the responsibility of license-holders to seek out this information and make themselves aware of which classrooms fall within this exception.
- e. Faculty, staff and administrative offices. This exception includes offices and office suites occupied by faculty, staff and administrators but does not include more general public common spaces outside of those areas.
- f. Rooms during the times when they are being used for disciplinary proceedings of any kind, including those regarding students, faculty or staff. These would include any meetings or hearings that are part of the University System’s or the institution’s sexual misconduct, student conduct, dispute resolution, grievance, appeals or similar processes. Firearms MAY NOT be carried in King Frazier Suite 247, as this is the primary campus location for student conduct review processes and appeals.
- g. Firearms may be stored in locked vehicles on campus ONLY by licensed carriers as permitted by Georgia law. It is the responsibility of the firearm owner to ensure that the weapon is secured and not accessible to other individuals on campus.
- h. No one without a valid Georgia Weapons Permit may carry or possess a firearm within 1,000 feet of property owned, leased, or controlled by Savannah State University.

- i. Students that chose to possess a firearm on campus must be able to provide appropriate documentation immediately upon request of ANY law enforcement official.
- j. Brandishing a firearm, identifying possession of a firearm, or threatening use of a fire-arm for anything other than defensive purposes may lead to Suspension/Expulsion.
- k. Use of a firearm for offensive versus defensive purpose may constitute a policy violation and may lead to Suspension/Expulsion.

SAVANNAH STATE UNIVERSITY'S RIGHT OF INSPECTION AND ENTRY. The University reserves the right to enter residential spaces, lockers and academic buildings if there is cause to believe violations of University policies or rules and regulations noted in the Student Code of Conduct and Housing Policies Manual. Individuals residing in University Housing agree that Savannah State University, or its agents or representatives, may enter the assigned space, Unit, or other Units at the University at reasonable hours for the purpose of making health and safety inspections and repairs or for the purpose of displaying the assigned space or Unit to prospective resident. In an emergency situation, Savannah State University or agent may enter at any time to protect life or prevent damage to the assigned space or Unit. Further, by placing a work order for work to be performed authorizes Savannah State University or agent to enter dwelling unit for the purposes of completing that work order in a timely manner.

MOTOR VEHICLE REGISTRATION AND OPERATION. Students who desire to park motor vehicles on the campus are required to purchase a parking permit (see www.savannahstate.edu/permit). Students and their guests who drive vehicles are required to obey all parking and traffic regulations. During restricted hours (7:30AM-4:00PM, Monday-Friday), students may park only in their designated zone/lot. Students without parking permits or those improperly parked are subject to ticketing, booting, and/or towing at the owner's/operator's expense. More information can be found at www.savannahstate.edu/parking-transportation. Official communications regarding parking will be sent via SSU Tigermail.

PARKING REVIEW BOARD (PRB) AND APPEAL OF PARKING CITATIONS. Anyone receiving a parking citation on the Savannah State University campus has a right to appeal that citation to the PRB. The PRB is tasked with the responsibility of reviewing, investigating, and rendering a final decision to either uphold or dismiss the citation. The Board has 5 members, identified as: one sworn Public Safety Officer of the rank of Corporal or Sergeant, two representatives from the Student Government Association, one staff member, and one faculty member. Only a faculty or staff member is eligible to chair the PRB. The person serving in the capacity of chair will be elected by the PRB members at the first meeting. The PRB shall require the attendance of two members exclusive of the chair or his/her designee in order to convene for business for any appeal. In some cases, in order to expedite the appeal process, the Board can communicate via email. The PRB shall convene at least monthly during the academic year, or as often as necessary to assess and investigate appeals. The PRB shall conduct all investigations in compliance with Federal and State Laws, Board of Regents rules and regulations, and Savannah State University policies and procedures. All appeals must be submitted online at www.savannahstate.edu/permit. The appeal must be received within 10 calendar days from the date of the citation. The right of appeal is forfeited after the 10 calendar days. The PRB shall render a final decision. The appellant will be notified of the decision in writing within 10 business days following the PRB meeting at which the appeal was heard either via email or telephone. For complete information on the Parking Review Board or for other information about parking and transportation at SSU, visit the Parking and Transportation website: <http://www.savannahstate.edu/parking-transportation>.

SHUTTLE SERVICES. The University contracts with Chatham Area Transit (CAT) to operate a shuttle service throughout the campus and to provide ridership on all CAT routes. Communications regarding the shuttle service will be sent via SSU Tigermail.

STORM AND HURRICANE EMERGENCY READINESS PLAN. In light of the fact that the Savannah area is prone to hurricanes, the University has a Hurricane Emergency Readiness Plan for use in the event of a threat of a tropical storm or hurricane. The plan governs how all members of the Savannah State University community will evacuate, tasks to be performed by certain University officials and offices, processes for the activation of the plan, and responsible University officials and/or offices. The plan is available in the Office of Student Affairs, the University Housing & Residence Life, and the Department of Public Safety. It is vitally important that all instructions of the plan are followed, and that each student strictly adheres to the plan for a timely and orderly accountability and evacuation of the University. Residents who wish to leave the campus on their own must notify Residence Hall Director or the Housing Office at 912-358-3132.

SSU HOMELAND SECURITY. In accordance with University System of Georgia Board of Regents policy, Savannah State University has in place a Campus Homeland Security Task Force. The Task Force is charged by the President with providing appropriate actions for safeguarding the campus community in the event of terrorist threats.

CRISIS INTERVENTION & RESPONSE TEAM. It is Savannah State University's policy to promote a safe environment for its students. The University is committed to working with students to maintain an environment free from violence, threat of violence, harassment, intimidation, and other disruptive behavior. The Crisis Intervention & Response Team focuses on gaining or maintaining immediate safety, coping, and/or stability in an emergency situation. The Crisis Intervention & Response team is coordinated by the Student Affairs' Office of Counseling and Disability Services in cooperation with other University officials. Contact the Public Safety at 358-3004/358-3010 or Student Affairs at 358-3118 for emergency assistance.

CERTIFIED SERVICE ANIMALS. Students with visual disabilities requiring service animals must make arrangements through the Disability Services Office (358-3129).

A DRUG, ALCOHOL & SMOKE FREE CAMPUS

STANDARDS OF CONDUCT. Savannah State University prohibits the unlawful possession, manufacture, distribution, dispensation, and use of illicit drugs and alcohol on the institutional premises in accordance with the Drug-Free Communities and Schools Act Amendments of 1989 (Public Law 101226) and the Georgia Drug-Free Postsecondary Act of 1990.

APPLICABLE LEGAL SANCTIONS FOR UNLAWFUL USE OF ILLICIT DRUGS OR ALCOHOL. The Georgia Penal Code defines "Controlled Substances" in Drug Schedules I-V, Official Code of Georgia Annotated (O.C.G.A.), Sections 16-13-35 to 16-13-3. This includes a list of chemical compounds, opiates, hallucinogens, derivatives, isomers, and other materials. The State Board of Pharmacy may add new material to the list as required. An even broader listing of dangerous drugs is defined in O.C.G.A. Section 16-13-71. This citation describes hundreds of chemicals and other compounds. The Georgia General Assembly may add drugs to the list as required.

CRIMINAL PUNISHMENT IN THE STATE OF GEORGIA. “First Offender ”: A person never before convicted of possession of a small amount of controlled substance may, at the discretion of the judge, be afforded the first offender treatment, resulting in no record of any conviction, if the defendant successfully completes a court monitored comprehensive rehabilitative program (O.C.G.A. 16-13-2 (a)). Possession of one ounce or less of marijuana may result in imprisonment not to exceed 12 months and /or a fine not to exceed \$1,000, or “public works” not to exceed 12 months (O.C.G.A. 16-13-2 (b)). Possession of more than one ounce of marijuana is a felony and is punishable by confinement of not less than one year or more than 10 years (O.C.G.A. 16-13-30j (2)). Trafficking in marijuana is a felony. Depending on the amount, confinement ranges from 5 to 15 years with fines from \$25,000 to \$200,000 (O.C.G.A. 16-13-31-(c)). Penalty for violation of the dangerous drug section is a misdemeanor (O.C.G.A.16-13-79). The penalties for violation of the “controlled substances” provision are numerous and they vary, depending on the drug schedule under which the substance is listed, whether the act charged includes trafficking, and how much of the substance is involved. Penalties range from 5 to 30 years and include life for a second conviction of trafficking narcotics (Schedule II). “Possession of an alcoholic beverage by any person under age 21 may under current Georgia Law result in confinement, not to exceed 30 days, or a fine of not more than \$300, or both”. This fine from the public judicial system (which may also be enhanced by associated costs and fees) is IN ADDITION TO the university fine which will be imposed for this violation of student code conduct. Georgia law specifies property which is subject to seizure by the state under public condemnation action, if such property was used in a criminal violation.

FEDERAL SANCTIONS FOR DRUG OFFENDERS. Title 21, United States Code, Sections 841-858 describes the acts and criminal penalties and civil and criminal forfeiture provisions established by Congress. Title 21, U.S.C., Section 812, contains five schedules of “controlled substances”:

Schedule I - describes certain opiates;

Schedule II - contains opium, cocaine, and other addictive substances;

Schedule III - lists amphetamines, phencyclidine (PCP) and other like matter;

Schedule IV - involves barbiturates; and

Schedule V - concerns codeine and atropine sulfate, among other preparations.

The Attorney General of the United States is authorized to add items to the several schedules. The manufacture, or distribution of various controlled substances, depending upon their schedule sequence and the amount of substance involved, is punishable by confinement ranging from not less than 5 nor more than 40 years and fines from \$2,000,000 to \$10,000,000. The penalty for “simple possession” of illegal drugs ranges from 1 to 20 years, depending upon the substance schedule, amount possessed, and the number of convictions (Title 21, Section 844). The distribution, manufacture, or possession with intent to distribute a controlled substance is punishable by twice the sanction provided in Section 841 (b) (not less than 10 nor more than 80 years, depending upon the schedule and amount), where such offense was performed on or within one thousand feet of a college or university. Section (a) denies certain “federal benefits” to drug traffickers and possessors, such as federal grants, contracts, loans, and professional licenses. Section 853 provides for forfeiture of possession and title to the federal government of any property used in drug offenses.

DRUG AND ALCOHOL EDUCATIONAL SERVICES AND PROGRAMS. The University offers a comprehensive substance intervention program for students through the Harris-McDew Health Center. Programs are provided promoting healthy lifestyles with emphasis on awareness of the dangers of drug and alcohol abuse. Referrals are administered through the Office of Student Affairs (912.358-3118).

SANCTIONS. Faculty, staff, and students are expected to adhere to the policies of the University and observe the basic standards of good conduct, meet acceptable performance standards, and observe all local, state and federal laws relative to unlawful use of drugs and alcohol. Penalties for violations of these standards range from warnings and probation to expulsion, loss of academic credit, suspension, temporary or permanent suspension and withdrawal of organization recognition, referral to the legal system for prosecution, demotion, and termination of employment. Detailed sanctions are defined in the Student Handbook, Board of Regents Policy Manual, Faculty Handbook, and Classified Employee Handbook. Public Safety follows a policy of zero tolerance for violation of all laws involving alcohol and drugs. Persons found in violation of these laws will be arrested and prosecuted to the fullest extent of the law.

PARENTAL/GUARDIAN NOTIFICATION. Savannah State University is committed to the elimination of alcohol and drug abuse within the University community. The University is concerned with the safety and welfare of its students. The approach to violations of the alcohol and drug policy is designed to be pro-active. While the primary approach in response to alcohol and drug violations is educational, it should also be clear that violations of the alcohol and drug policy will result in disciplinary sanctions imposed by Savannah State University. The Higher Education Reauthorization Act of 1998 (HERA) amended the Family Educational Rights and Privacy Act (FERPA) to allow institutions of higher education to notify parents or legal guardians of students under the age of 21 of the final outcome of an alcohol or drug violation. In view of these changes, the following policies will be observed:

1. After the second alcohol violation or after the first drug offense, it will be the policy of Savannah State University to notify parents or legal guardians of students under the age of 21 of violations of the University's alcohol or drug policy.
2. When it is determined that the parents or legal guardians should be notified of an alcohol or drug violation, the Office of Student Conduct will be responsible for mailing a letter to the parents or legal guardians outlining the violation and the penalty imposed.
3. Under certain circumstances, the parents or legal guardians of students under 21 years of age may be notified after the first alcohol violation. Those circumstances may be as follows:
 - a. The incident involved significant property damage.
 - b. The incident was a DUI.
 - c. The incident involved a reckless disregard for the safety of students themselves and/or the safety of others.
 - d. The incident was accompanied by other serious violations of the Code of Student Conduct.
 - e. The student has been found responsible for any alcohol or drug-related violation that may result in suspension or dismissal from the University, or removal from University housing.
4. Under certain circumstances, it may be necessary to personally telephone the parents or legal guardians of students under 21 years of age and inform them of a potentially serious incident requiring their immediate notification. A letter will follow up the personal telephone call from the Office of Student Conduct.
5. Students under 21 years of age whose parents or legal guardians are to be notified will be informed by the Vice President for Student Affairs' Office and/or Office of Student Conduct before parental notification occurs. This will give the student an opportunity to initiate contact with their parents or legal guardians before the parental notification letter is mailed

EXCEPTIONS TO THE POLICY. The parent or legal guardians of students who are 21 years of age on the date of adjudication will not be notified.

- a. The parent or legal guardians of students under the age of 21 who have been declared financially independent from their parents will not be notified.
- b. The parents or legal guardians of students under 21 years of age may not be notified in view of various social, religious, or cultural customs and practices, or under extraordinary circumstances as determined on a case-by-case basis by the Vice President for Student Affairs or designee.

Note: Georgia is an Open Records State. Written requests for information under the Open Records Act will be forwarded to the Public Records Custodian.

GENERAL STUDENT EXPECTATIONS

CELLULAR PHONES & OTHER ELECTRONIC DEVICES. Cellular phones are often times important means to communicate. These devices, however, can be disruptive for the user and others when activated in classrooms, laboratories, libraries, business offices, and in certain other public areas. The University asks students and others to be mindful of this and to operate cellular phones accordingly. In other words, these devices should be turned off when in the classroom and laboratory, library, business offices, and quiet lounges, as they can interfere with the climate for learning.

CHANGE OF ADDRESS. Students are responsible for notifying the Office of the Registrar of any change in address. The mailing of notices to the last address on record constitutes official notification.

CIVIL LANGUAGE. Savannah State University is a marketplace for ideas, conversations, and opinions. The University has high expectations that students will engage in critical discourse on a wide range of topics in conversations that take place during formal and informal discussions. Also, the University has high expectations that students engage in civil discourse. The use of profanity, indecent, and lewd language has no place in a University environment. The University recognizes that students have a constitutional right to express themselves. However, it is the responsibility of the student to be respectful and civil in communication with others, as this is paramount in the community of learning and as learners.

CLUBS AND ORGANIZATIONS. Students have the right to form, join, and participate in groups or organizations that promote the common interests of students including, but not limited to, clubs or organizations that are organized for intellectual, religious, social, economic, political, recreational, or cultural purposes. The University does require students to follow the procedures and guidelines for establishing and registering such groups through the Office of Student Life. The University prohibits and will not tolerate practices, traditions, or customs that involve hazing of any kind, that interfere with the academic and personal development of students, or that have the potential to put students at harm. Every student organization MUST have two advisors selected by the group or appointed by the Office of Student Life. An advisor shall be defined as faculty, staff, or administrative officer of the University who shall offer support and advice to the organization. The role of an advisor to a Registered Student Organization (RSO) is to advise the organization concerning compliance with Savannah State University and Board of Regents policies and procedures, and to assist and advise the RSO in managing its approved activities.

DRESSING FOR SUCCESS. As a member of the University community, it is expected that every student will have the opportunity to experience success inside and outside of the classroom and to learn in a safe and academically enriching environment. As such, students are encouraged to dress appropriately on the campus and will be denied admission to various functions if their manner of dress is inappropriate to the occasion. During certain University events, the dress is “business attire” (Examples: Founder’s Day, Honor’s Day, banquets, career fairs, awards programs, pageants, lecture series). A student’s attire while on campus and in public should never be lewd, indecent, or distracting to the educational environment nor pose any danger to the student or others. (Examples: Inappropriate dress may include, but is not limited to, halter tops, shorts or skirts revealing any portion of the buttocks or genitals, shirts with obscene language or “fighting” words (including gestures or slogans) undergarments and clothing which allows undergarments to be visually observed such as pants for men and women intended to reveal those undergarments including, sagging pants and extreme low riders. All administrative, faculty and support staff members will be expected to monitor student behavior applicable to this dress code and report students after two (2) repeated violations to the Office of Student Conduct, where cases will be processed as a ‘Failure to Comply’ sanction as noted in the Code of Student Conduct. Faculty is encouraged to deny admittance to the classroom to students who present themselves to the classroom in violation of the above code until they bring themselves in compliance.

GUEST SPEAKERS AND PERFORMERS. Students may freely select and invite speakers and performers from various fields and genres for academic and/or cultural enrichment. When doing so, the sponsoring student group or students must notify the Office of Student Life. In most cases, outside speakers require certain fees and travel accommodations. The sponsoring

group is responsible for the costs associated with the guest speaker or performer. The invitation of outside speakers and performers does not imply approval or sponsorship of their views by the University nor the group inviting them. While there are no restrictions on the point of view expressed by speakers and performers, other than those imposed by federal or state law, the University will not condone language and behavior that is lewd, racially offensive, or demeaning to any groups on campus.

LOST AND FOUND. From time-to-time, members of the University misplace and lose items such as keys, cellular phones, glasses, books, and wallets. The University expects found items to be taken to the Department of Public Safety immediately. When a student misplaces or has his or her residence hall room key stolen, a report to the resident director, University Housing and Residence Life, or Department of Public Safety must be made expeditiously. Found items are logged in and stored in the Office of Student Affairs for safekeeping for a limited time.

POSTING DOCUMENTS ON CAMPUS. Prior to posting, documents must be approved for posting by the Office of Student Life. Students are encouraged to post flyers, handbills, signs, notices, posters and other documents on designated bulletin boards and other spaces designated for such purposes. In addition, Campus Channel 15 is available for electronic posts in a Microsoft Power Point format. Documents should not be posted on any exterior door of University buildings. Unapproved items and items posted in non-designated areas are subject to immediate removal. Postings that are lewd, offensive, advertise alcohol, drinking contests and that work against the purposes of the University will not be approved nor will documents be reproduced through the University Document Center. The student organization or student responsible for approved postings will be responsible for removing their items once the event has occurred.

PARTICIPATION IN UNIVERSITY GOVERNANCE. Savannah State University takes seriously its commitment to stimulate and maintain a student centered environment. The institution is focused on and is committed to putting students at the center of University affairs. In the most literal sense, a student-centered environment is one where the faculty and staff exceed student expectations, ensure student satisfaction, and demonstrate that students matter. Central to the University's student-centered philosophy is the role students play in institutional decision-making, where appropriate. This is primarily achieved through the Student Government Association (SGA), though this does not diminish the significance of other registered student organizations or the administration's right to involve other students in decision-making processes. As the representative for students, the SGA appoints students to serve on appropriate University-wide committees. Students are empowered and encouraged to voice their opinions through such committees. Additionally, the SGA is encouraged to make reports and recommendations to any of the University's directors, deans, vice presidents, and the president of the University.

PEACEFUL PROTESTS, DEMONSTRATIONS, AND PICKETING. Students are free to engage in peaceful, responsible, and orderly protests, demonstrations, and picketing; however, such activities must not disrupt the academic and business functions of the University. If a student believes that his or her right to peacefully protest, demonstrate, or picket is being restricted in an inappropriate manner by a student, student group, or an office or department under the aegis of the University, the student may file a complaint with the Office of the Ombudsman for mediation or recommendation of appropriate action.

POLICY ON FREEDOM OF EXPRESSION. The rights guaranteed by the First Amendment, including the right to free speech, free expression, free exercise of religion, and the right to assemble peaceably are of the utmost importance, and the University System of Georgia (USG) is committed to protecting those rights.

As public institutions of higher education, USG institutions must promote open ideas and academic freedom on their campuses. While institutions may need to enact policies to promote campus safety, to ensure the proper functioning of the academic environment and institution activities, or to further other important institution objectives, those policies should not unduly burden the free expression rights of students, faculty, and staff. Any parameters placed on the time, place, and manner of expression must not be based on the content of the expression.

To facilitate the free exchange of ideas, institutions may designate accessible, high-traffic locations on campus as public forum areas. The designation of public forum areas may not be

used to prohibit individual students, faculty, or staff from engaging in communication elsewhere on campus. Reservation and use of designated public forum areas may only be required in the following limited circumstances: (1) speakers who are not enrolled at or employed by the institution; and (2) students, faculty, or staff who engage in large group demonstrations. Institutions may not consider the content or viewpoint of expression when requiring or assigning use of public forum areas. A complete copy of the university's Freedom of Expression policy and regulations are available in the Office of the Vice President for Student Affairs.

RELEASE OF DIRECTORY INFORMATION. Directory information will be treated as public information and generally will be available on all students and former students at the discretion of the University. Directory information includes the students' name, date and place of birth, major field of study, height, weight, age, hometown, hobbies, participation in officially recognized activities and sports, general interest items of members of athletic teams, dates of attendance, degree applied for or received honors and awards received, student e-mail address, and previous educational institutions attended. Students or parents of students, who are under eighteen, may refuse to permit the release of any or all of the categories of directory information until the end of spring semester by submitting a written request to the Office of the Registrar within ten (10) days of the beginning of any academic semester during which the students are enrolled. Students, former students or media who wish to have directory information withheld should notify the Director of Communications and Community Relations prior to the anticipated date of any media inquiry.

TITLE IX and UNIVERSITY SEXUAL MISCONDUCT POLICY. What is Title IX? Title IX of the Education Amendments of 1972 protects people from discrimination based on sex in education programs or activities that receive federal financial assistance. The policy is enforced by the U.S. Department of Education's Office of Civil Rights. The policy states that no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance. The Savannah State University Sexual Misconduct Policy is administered in conjunction with the university's Title IX program and is modeled after the University System of Georgia Sexual Misconduct Policy.

What does the Savannah State University Sexual Misconduct Policy state? The Savannah State University Sexual Misconduct Policy prohibits specific forms of behavior that violate Title IX of the Education Amendments of 1972. Savannah State University will not tolerate sexual misconduct, which is prohibited, and which includes, but is not limited to, domestic violence, dating violence, sexual assault, sexual exploitation, sexual harassment and stalking. Savannah State University further strongly encourages members of the university community to report instances of sexual misconduct promptly. These policies and procedures are intended to ensure that all parties involved receive appropriate support and fair treatment, and that allegations of sexual misconduct are handled in a prompt, thorough and equitable manner. The complete Sexual Misconduct Report includes definitions of prohibited conduct, information on reporting sexual misconduct and other detailed information about the policy. For complete policy go to [http://www.savannahstate.edu/title-IX/documents/Sexual Misconduct Policy 358_2.pdf](http://www.savannahstate.edu/title-IX/documents/Sexual%20Misconduct%20Policy%20358_2.pdf).

STUDENT PUBLICATIONS. Students are free, both individually and collectively, to express their views on institutional matters and on issues that are of interest to the University's student body. The University views student publications, including *The Tiger's Roar*, as media for free and responsible discussion and intellectual discourse. Inasmuch as the University will not purposefully restrict the editorial freedom of student publications and the student press, the editors and/or those responsible for student publications and the student press must be governed by responsible journalism, which entails avoiding libelous and indecent statements, undocumented allegations, attacks on personal integrity, and on employing techniques of harassment and innuendo. To ensure this responsibility, student publications and the student press are encouraged to secure advanced approval of copy by the adviser. Additionally, because student publications and the student press are not official organs of the University, a prominent disclaimer indicating that the views expressed within the publication are not necessarily those of the institution or its faculty, staff, or students must be inserted in the masthead or in some conspicuous section of the publication.

Savannah State University is committed to a cooperative climate in which media representatives of *The Tiger's Roar* student newspaper may obtain information on criminal activity on campus. The Georgia Open Records Act and the Campus Security Act, now officially known as the Clery Act, regulated the release of criminal information. In addition to the University's annual report in accordance with the Clery Act, Savannah State University's standard operation procedure shall require the Director of Communications & Community Relations to receive any requests from the Tiger's Roar staff for summary reports and respond within a reasonable time frame. Savannah State University's standard operation procedure shall require the Department of Public Safety through the Chief of Public Safety to provide the requested information to the Director of Communications & Community Relations within a reasonable time frame for transmission to *The Tiger's Roar* staff in accordance with the applicable state and federal laws as referenced herein.

It is designed to protect the students' rights with regard to education records maintained by the institution. Under the Act, students may inspect and review their own education records maintained by the institution and challenge the content of records (except grades which can only be challenged through the academic appeal procedure) on the grounds that they are inaccurate, misleading or in violation of privacy or other rights. Students may control disclosures from educational records with certain exceptions. Savannah State University's policy on "Access to Student Records" complies with the provisions of FERPA. The University complies with the University of Georgia Board of Regents Policy regarding retention of Student Records. Such insurance information is available in University Housing and Residence Life at a very reasonable cost.

The University reserves the right to make changes to this code as necessary

and once those changes are posted online, they are in effect. Students are encouraged to check online for the updated versions of all policies and procedures. (*The NCHERM Group Model Code Project, 2013.*)

The Savannah State University Code of Student Conduct is adapted from The National Center for Higher Education Risk Management (NCHERM) Group Model Developmental Code of Student Conduct and is used here with permission.

Office of Student Conduct Mission Statement: The Office of Student Conduct challenges and supports students in making ethical and responsible decisions, upholding the principles of civility, integrity and accountability, in order to create a safe and secure educational environment for all members of the campus community.

SECTION 1: OFFICE OF STUDENT CONDUCT PHILOSOPHY. The University community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The student conduct program within the Office of Student Conduct is committed to an educational and developmental process that balances the interests of individual students with the interests of the entire University community. A community exists on the basis of shared values and principles.

At Savannah State University, student members of the community are expected to uphold and abide by certain standards of conduct that form the basis of the Code of Student Conduct. These standards are embodied within a set of core values that include integrity, community, social justice, respect, responsibility, and tradition. Each member of the University community bears responsibility for their conduct and assumes reasonable responsibility for the behavior of others. When members of the community fail to exemplify these six values by engaging in violation of the policies below, campus conduct proceedings are used to assert and uphold the Code of Student Conduct.

The student conduct process at the University is not intended to punish students; rather, it exists to protect the interests of the community and to challenge those whose behavior is not in accordance with our policies. Sanctions are intended to challenge students' moral and ethical decision-making and to help them bring their behavior into accord with our community expectations. When a student is unable to conform their behavior to community expectations, the student conduct process may determine that the student should no longer share in the privilege of participating in this community. Students should be aware that the student conduct process is quite different from criminal and civil court proceedings. Procedures and rights in student conduct procedures are conducted with fairness to all, but do not include the same level of due process protection afforded by the courts in criminal or civil cases. Due process, as defined within these procedures, assures notice and a hearing before an objective decision-maker(s). No student will be found in violation of University policy without information showing that it is more likely than not that a policy violation occurred and any sanctions will be proportionate to the severity of the violation and to the cumulative conduct history of the student.

SECTION 2: JURISDICTION. Per the University System of Georgia Board of Regents, each institution shall take necessary and appropriate action to protect the safety and well-being of its community. Accordingly, student conduct should be addressed when such acts occur on institution property or at institution-sponsored or affiliated events, or otherwise violate the institution's student conduct policies at non-institution sponsored events. Code of Conduct Policies apply to student behavior on and off the Savannah State University campus. If the student has admitted responsibility and has voluntarily decided to participate in the informal process, the procedures outlined in this section will not apply. The Code of Student Conduct and the student conduct process apply to the conduct of individual students, both undergraduate and graduate, and all Savannah State-affiliated student organizations. For the purposes of student conduct, Savannah State considers an individual to be a student when an offer of admission has been extended and thereafter as long as the student has a continuing educational interest in Savannah State. Savannah State University retains conduct jurisdiction over students who choose to take a leave of absence, withdraw or have graduated for any misconduct that occurred prior to the leave, withdrawal or graduation. If sanctioned, a hold may be placed on the student's ability to re-enroll and/or obtain official transcripts and/or graduate and all sanctions must be satisfied prior to re enrollment eligibility. In the event of serious misconduct committed while still enrolled but reported after the accused student has graduated, Savannah State may invoke these procedures and should the former student be found responsible, Savannah State may revoke that student's degree and/or continue to prevent student access to the University and its facilities. The Code of Student Conduct applies to behaviors that take place on the campus, at University/College-sponsored events and may also apply off-campus when the Vice-President of Student Affairs or designee determines that the off-campus conduct affects a substantial Savannah State University interest. A substantial SSU interest is defined to include:

- Any situation where it appears that the student's conduct may present a danger or threat to the health or safety of him/herself or others; and/or
- Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
- Any situation that is detrimental to the educational mission and/or interests of SSU.

The Code of Student Conduct may be applied to behavior conducted online, via email or other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. Most online speech by students not involving Savannah State University networks or technology will be protected as free expression and not subject to this Code, with two notable exceptions:

1. A threat, defined as "a threat a reasonable person would interpret as a serious expression of intent to inflict bodily harm upon specific individuals"; and/or
2. Speech posted online about SSU or its community members that causes a significant on-campus disruption.

The Code of Student Conduct applies to guests of community members whose hosts may be held accountable for the misconduct of their guests. Visitors to and guests of Savannah State may seek resolution of violations of the Code of Student Conduct committed against them by members of SSU community. There is no time limit on reporting violations of the Code of Student Conduct; however, the longer someone waits to report an offense, the harder it becomes for University officials to obtain information and witness statements and to make determinations regarding alleged violations. Though anonymous complaints are permitted, doing so may limit the University's ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Office of Student Conduct and/or to Campus Police. A responding student facing an alleged violation of the Code of Student Conduct is not permitted to withdraw from Savannah State University until all allegations are resolved.

University E-Mail Communication Statement. University email is Savannah State's primary means of communication with students. Students are responsible for all communication delivered to their University email address. Failure to check your University email will NOT BE an acceptable excuse for failing to respond to a hearing request and/or any sanctions that are imposed as the result of a hearing. The University is not responsible to send correspondence to personal email accounts- all communication will be delivered through a student's official SSU email account.

SECTION 3: VIOLATIONS OF THE LAW. Alleged violations of federal, state and local laws may be investigated and addressed under the Code of Student Conduct. When an offense occurs over which SSU has jurisdiction, the University conduct process will usually go forward notwithstanding any criminal complaint that may arise from the same incident. The University reserves the right to exercise its authority of interim suspension upon notification that a student is facing criminal investigation and/or complaint. Interim suspensions are imposed until a formal hearing can be held, typically within five (5) business days. This hearing may resolve the allegation, or may be held to determine if the interim suspension should be continued.

The interim suspension may be continued if an imminent danger to the community is posed and SSU may be delayed or prevented from conducting its own investigation and resolving the allegation by the pendency of the criminal process. In such cases, the University will only delay its hearing until such time as it can conduct an internal investigation or obtain sufficient information independently or from law enforcement upon which to proceed. This delay will be no longer than two weeks from notice of the incident unless a longer delay is requested in writing by the complaining victim to allow the criminal investigation to proceed before the University process.

Students accused of crimes may request to take a leave from the University until the criminal charges are resolved. In such situations, the University procedure for voluntary leaves of absence is subject to the following conditions:

- The responding student must comply with all campus investigative efforts that will not prejudice their defense in the criminal trial; and
- The responding student must comply with all interim actions and/or restrictions imposed during the leave of absence; and
- The responding student must agree that, in order to be reinstated to active student status, they must first be subject to, and fully cooperate with, the campus conduct process and must comply with all sanctions that are imposed.

Information from complaints may be shared as necessary to investigate and to resolve the alleged misconduct. Complaints shall be investigated and resolved as outlined below. The need to issue a broader warning to the community in compliance with the Clery Act shall be assessed in compliance with federal law. Where appropriate, complainants may file a law enforcement report along with an institutional report.

Not all matters covered under this policy will necessarily involve alleged victims; however, where they are involved, it should be noted that a complainant will not always be the alleged victim but instead may be a third-party witness. The institution may also respond to issues raised by third-party complaints (such as referrals by police) or discovered by staff or through its own investigations.

Section 4: Code of Conduct Policies

University System of Georgia Sexual Misconduct Policy

In accordance with Title IX of the Education Amendments of 1972 (“Title IX”), the University System of Georgia (USG) does not discriminate on the basis of sex in any of its education programs or activities or in employment. The USG is committed to ensuring a safe learning and working environment for all members of the USG community. To that end, this Policy prohibits sexual misconduct, as defined herein.

In order to reduce incidents of sexual misconduct, USG institutions are required to provide prevention tools and to conduct ongoing awareness and prevention programming and training for the campus community. Such programs will promote positive and healthy behaviors and educate the campus community on consent, sexual assault, alcohol use, dating violence, domestic violence, stalking, bystander intervention, and reporting.

When sexual misconduct does occur, all members of the USG community are strongly encouraged to report it promptly through the procedures outlined in this Policy. The purpose of this Policy is to ensure uniformity throughout the USG in reporting and addressing sexual misconduct.

Reporting Structure. All Equal Opportunity directors and others having responsibility for coordination of Title IX (“Coordinators”) at USG institutions shall have a direct reporting relationship to both the institution’s President or the President’s designee and the USG System Director for Equity and Investigations (“System Director”). The President of each institution shall determine the organizational and operating reporting relationships for the Coordinators at the institution and exercise oversight of institutional issues relating to sexual misconduct. However, the System Director shall have authority to direct the Coordinators’ work at each institution as needed to address system-wide issues or directives. The President of each institution shall consult with the System Director on significant personnel actions involving Coordinators, to include but not be limited to, appointment, evaluation, discipline, change in reporting structure, and termination.

Definitions and Prohibited Conduct

Community: Students, faculty, and staff, as well as contractors, vendors, visitors and guests.

Complainant: An individual lodging a complaint. The complainant may not always be the alleged victim.

Consent: Words or actions that show a knowing and voluntary willingness to engage in mutually agreed-upon sexual activity. Consent cannot be gained by force, intimidation or coercion; by ignoring or acting in spite of objections of another; or by taking advantage of the incapacitation of another where the respondent knows or reasonably should have known of such incapacitation. Minors under the age of 16 cannot legally consent under Georgia law. Consent is also absent when the activity in question exceeds the scope of consent previously given. Past consent does not imply present or future consent. Silence or an absence of resistance does not imply consent. Consent can be withdrawn at any time by either party by using clear words or actions.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the alleged victim. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

Domestic Violence: Violence committed by a current or former spouse or intimate partner of the alleged victim; by a person with whom the alleged victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner, or by a person similarly situated to a spouse of the alleged victim.

Incapacitation: The physical and/or mental inability to make informed, rational judgments. It can result from mental disability, sleep, involuntary physical restraint, status as a minor under the age of 16, or from intentional or unintentional taking of alcohol and/or other drugs. Whether someone is incapacitated is to be judged from the perspective of an objectively reasonable person.

Nonconsensual Sexual Contact: Any physical contact with another person of a sexual nature without the person’s consent. It includes but is not limited to touching (or penetrating) of a person’s intimate parts (such as genitalia, groin, breasts, or buttocks); touching (or penetrating) a person with one’s own intimate parts; or forcing a person to touch his or her own or another person’s intimate parts.

Confidential Employees: Institution employees who have been designated by the Institution’s Coordinator to talk with an alleged victim in confidence. Confidential Employees must only report that the incident occurred and provide date, time, location, and name of alleged respondent (if known) without revealing any information that would personally identify the alleged victim. This minimal reporting must be submitted in compliance with Title IX and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”). Confidential Employees may be required to fully disclose details of an incident in order to ensure campus safety.

Privileged Employees: Individuals employed by the institution to whom a complainant or alleged victim may talk in confidence, as provided by law. Disclosure to these employees will not automatically trigger an investigation against the complainant’s or alleged victim’s wishes. Privileged Employees include those providing counseling, advocacy, health, mental health, or sexual-assault related services (e.g., sexual assault resource centers, campus health centers, pastoral counselors, and campus mental health centers) or as otherwise provided by applicable law. Exceptions to confidentiality exist where the conduct involves suspected abuse of a minor (in Georgia, under the age of 18) or otherwise provided by law, such as imminent threat of serious harm.

Respondent: Individual who is alleged to have engaged in conduct that violates this Policy.

Responsible Employees: Those employees who must promptly and fully report complaints of or information regarding sexual misconduct to the Coordinator. Responsible Employees include any administrator, supervisor, faculty member, or other person in a position of authority who is not a Confidential Employee or Privileged Employee. Student employees who serve in a supervisory, advisory, or managerial role are in a position of authority for purposes of this Policy (e.g., teaching assistants, residential assistants, student managers, orientation leaders).

Sexual Exploitation: Taking non-consensual or abusive sexual advantage of another for one’s own advantage or benefit, or for the benefit or advantage of anyone other than the one being exploited. Examples of sexual exploitation may include, but are not limited to, the following:

1. Invasion of sexual privacy;
2. Prostituting another individual;
3. Non-consensual photos, video, or audio of sexual activity;
4. Non-consensual distribution of photo, video, or audio of sexual activity, even if the sexual activity was consensual;
5. Intentional observation of nonconsenting individuals who are partially undressed, naked, or engaged in sexual acts;
6. Knowingly transmitting an STD or HIV to another individual through sexual activity;
7. Intentionally and inappropriately exposing one’s breasts, buttocks, groin, or genitals in non-consensual circumstances; and/or
8. Sexually-based bullying.

Sexual Harassment: Unwelcome verbal, nonverbal, or physical conduct, based on sex or on gender stereotypes, that is implicitly or explicitly a term or condition of employment or status in a course, program, or activity; is a basis for employment or educational decisions; or is sufficiently severe, persistent, or pervasive to interfere with one’s work or educational performance creating an intimidating, hostile, or offensive work or learning environment, or interfering with or limiting one’s ability to participate in or to benefit from an institutional program or activity.

Sexual Misconduct: Includes, but is not limited to, such unwanted behavior as dating violence, domestic violence, nonconsensual sexual contact, sexual exploitation, sexual harassment and stalking.

Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress. Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with person's property. Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim. Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily, require medical or other professional treatment or counseling.

Reporting Sexual Misconduct. A complainant of sexual misconduct may, but need not, file a criminal complaint with law enforcement officials; file a misconduct report with a Responsible Employee or Coordinator; or file both. A report may be filed anonymously, although anonymous reports may make it difficult for the institution to address the complaint. Any individual who believes that he or she has been a victim of sexual misconduct is encouraged to report allegations of sexual misconduct promptly.

All reports of sexual misconduct alleged to have been committed by a student must be handled consistently with requirements set forth in Section 4.6.5, Standards for Institutional Student Conduct Investigation and Disciplinary Proceedings.

All reports of sexual misconduct alleged to have been committed by a non-student member of the institution community will be addressed and/or resolved through the institution's and the Board of Regents' applicable policies for discipline of non-students.

Law Enforcement Reports. Because sexual misconduct may constitute criminal activity, a complainant also has the option, should he or she so choose, of filing a report with campus or local police, for his or her own protection and that of the surrounding community. The institution may assist the complainant in reporting the situation to law enforcement officials.

Complainants considering filing a report of sexual misconduct with law enforcement should preserve any evidence of sexual misconduct, including, but not limited to, the following:

1. Clothing worn during the incident including undergarments;
2. Sheets, bedding, and condoms, if used;
3. Lists of witnesses with contact information;
4. Text messages, call history, social media posts;
5. Pictures of injuries; and/or
6. Videos.

Anonymous Reports. Each institution shall provide a mechanism by which individuals can report incidents of alleged sexual misconduct anonymously. Complainants should understand, however, that it will be more difficult for the institution to investigate and to take action upon anonymous reports.

Retaliation. Anyone who, in good faith, reports what he or she believes to be misconduct under this Policy, or who participates or cooperates in, or is otherwise associated with any investigation, shall not be subjected to retaliation. Anyone who believes that he or she has been the target of retaliation for reporting, participating, cooperating in, or otherwise being associated with an investigation should immediately contact the Coordinator for the institution. Any person found to have engaged in retaliation in violation of this Policy shall be subject to disciplinary action.

False Complaints. Individuals are prohibited from intentionally giving false statements to a system or institution official. Any person found to have intentionally submitted false complaints, accusations, or statements, including during a hearing, in violation of this Policy shall be subject to appropriate disciplinary action (up to and including suspension or expulsion) and adjudicated under the student conduct policy.

Amnesty. Individuals should be encouraged to come forward and to report sexual misconduct notwithstanding their choice to consume alcohol or to use drugs. Information reported by an individual during an investigation concerning use of drugs or alcohol will not be used against the particular individual in a disciplinary proceeding or voluntarily reported to law enforcement; however, individuals may be provided with resources on drug and alcohol counseling and/or education, as appropriate.

Informal Resolutions

Allegations of sexual misconduct may be resolved informally, without a determination of misconduct, if all of the following are met:

1. When complainant(s) and respondent agree to an informal resolution;
2. When the initial allegation could not result in expulsion;
3. When the complainant(s) and respondent(s) agree to the terms of the informal resolution; and
4. When the investigator concludes that informal resolution is in the best interest of the parties and the institution's community.

The alleged victim(s) and respondent(s) have the option to end informal resolution discussions and request a formal process at any time before the terms of an informal resolution are reached. However, matters resolved informally shall not be appealable.

Timeframe. Efforts will be made to complete the investigation within a reasonable timeframe, which will be determined based upon the allegations, availability of witnesses and/or evidence, etc. in a particular case. When the timeframe will extend past the reasonable timeframe, the parties will be informed of the delay and the reason for the delay. The investigator shall keep the parties informed of the status of the investigation.

Investigations. All sexual misconduct investigations involving a student respondent, whether overseen by the institution's Coordinator or the System Director, shall follow the investigation process set forth in the USG's Standards for Institutional Student Conduct Investigation and Disciplinary Proceedings.

Hearings, Possible Sanctions and Appeals. All sexual misconduct hearings, sanctions, and appeals involving a student respondent, whether overseen by the institution's Coordinator or the System Director, shall follow the investigation process set forth in USG's Standards for Institutional Student Conduct Investigation and Disciplinary Proceedings.

36. **Visitation Policy.** Positive engagement and student interaction in the residence hall supports the academic and social development of students and serve as a means through which men and women can contribute to one another's education while forming genuine friendships. To support an atmosphere conducive to academic achievement and positive community interaction, the following standards are in place for visitation in the residence halls:
- Guest visits should be of limited duration regardless of the time of day. In consideration of roommates and other building residents, it is important that visits not infringe on another's right to privacy, sleep and quiet student space. Roommates are expected to discuss and fill out an overnight guest form as well as receive approval from the Resident Director, prior to the guests' arrival to campus. The form will be found on-line and must be submitted 72 hours in advance to the Resident Director. The right of a student to live in reasonable privacy takes precedence over the privilege of his or her roommate to host a guest in the room. A roommate should not be compelled to leave the room to accommodate a guest, nor should he/she be placed in situations that might cause embarrassment or inconvenience. If the presence of a guest infringes on the rights of the roommate or other building residents, the guest will be required to leave the residential facility.
 - Guests must be hosted by a current resident of the residence hall or apartment. Residents should accompany their guests at all times. Resident hosts will be held personally accountable for damages and/or violations of University policy by their guests.
 - Students who reside in the same residence hall may visit with one another in the rooms during the appropriate hours only. The appropriate hours will be posted on the floors, main lobbies, and emailed. Students may not sleep overnight in any residents' room.
 - Guests are expected to abide by all University policies at all times. The University reserves the right to remove a guest from the residence halls if the guest's behavior is considered contrary to the goals and objectives of the University, as judged by a residence life staff member or by the Department of Public Safety or another University official/designee.
 - All overnight guests must be at least 18 years of age, must be of the same sex as his/her host, and are normally not permitted to stay on campus for more than two consecutive nights. Overnight visits should be limited and infrequent. Overnight guests are required to register with residence hall staff and obtain a guest pass. The guest must carry picture ID and University guest pass with him/her at all times while on campus.
37. **Windows and Screens.** Students are prohibited from entering or exiting Residence Halls/ Apartments through windows. Students are prohibited from throwing objects or removing window screens for any reason. Students may not display any sign or object on the outside of a Residence Hall/Apartment window or remove a screen for any reason, other than emergency evacuation. Students are also prohibited from passing items through window.

Section 5: Overview of the Conduct Process. Any member of the University community may file a complaint against any student or student organization for misconduct by contacting the Division of Student Affairs, the Office of Student Conduct, Title IX Office, Student Government Association Office, or the Department of Public Safety. All offices work collaboratively to address complaints. While a student may make a complaint to either office, certain complaints should be directed immediately to the Department of Public Safety. In particular, complaints that are of a criminal nature or that present an immediate danger to the safety and well-being of the complainant or any other individual or any property should be directed immediately to the Department of Public Safety (358-3010). A complainant can discuss the matter with the Division of Student Affairs or the Office of Student Conduct. If a student has any doubt about the nature or seriousness of a complaint, any of these offices are willing to receive the information. Nevertheless, complaints should be submitted as soon as possible after the incident has taken place. The administrator and/ or staff person with whom the complainant discusses the incident will demonstrate an ethic of care and concern. Students and other complainants should be forthright in discussing the incident. Although the complaint can be discussed orally, it must be subsequently reduced to a written statement.

Initial Evaluation of Student Conduct Reports. Regardless of how the University becomes aware of misconduct, it shall ensure a prompt, fair, and impartial review and resolution of complaints alleging student misconduct. Where a report of student misconduct has been made to the appropriate department and/or person, the University shall review the complaint to determine whether the allegation(s) describes conduct in violation of the University's policies and/or Code of Conduct. If the reported conduct would not be a violation of the University's policies and/or Code of Conduct then the report should be dismissed. Otherwise, a prompt, thorough, and impartial investigation and review shall be conducted into each complaint received to determine whether charges against the respondent should be brought.

Throughout any investigation and resolution proceedings, a respondent shall receive notice of the alleged misconduct, shall be provided an opportunity to respond, and shall be allowed to remain silent during the investigation and resolution process, without an adverse inference resulting. If the respondent chooses to remain silent, the investigation may still proceed and policy violation charges may still result, and may be resolved against the respondent. Further, unrelated charges and cases shall be investigated separately, unless the respondent consents to having them aggregated.

Where the potential sanctions for the alleged misconduct may involve a suspension or expulsion (even if such sanctions were to be held "in abeyance," such as probationary suspension or expulsion) the University's investigation and resolution procedures must provide these additional, minimum safeguards:

Written Notice: The respondent shall be provided with written notice of the complaint/allegations, pending investigation, possible charges, possible sanctions, and available support services. The notice will also include the identity of any investigator(s) involved. Notice will be provided via University email to the address on file. Where applicable, a copy shall also be provided to the alleged victim via the same means.

Written Response to Charges: Upon receipt of the written notice, the respondent will be given at least three (3) business days to respond in writing. In that response, the respondent will have the right to admit or to deny the allegations, and to set forth a defense with facts, witnesses, and documents – whether written or electronic – in support. A non-response will be considered a general denial of the alleged misconduct.

Investigation: Based on this response, the investigation will consist of interviews of the respondent, the alleged victim (where applicable) and witnesses, and the collection and review of documents or other physical or electronic information, as well as other steps as appropriate. The investigator should retain written notes and/or obtain written or recorded statements from each interview. The investigator will also keep a record of any proffered witnesses not interviewed, along with a brief, written explanation.

Investigation Summary Report: The investigation will be summarized in writing in an initial investigation report and provided to the respondent and the alleged victim (where applicable) in person or via email. This summary will clearly indicate any resulting charges (or alternatively, a determination of no charges), as well as the facts and evidence in support thereof, witness statements, and possible sanctions.

Written Response to Investigation Report: To the extent the respondent is ultimately charged with any violation, he or she will also have the opportunity to respond in writing. The respondent's written response to the charge(s) will be due no earlier than three (3) business days following the date of the initial investigation report. The respondent's written response should outline his or her plea in response to the charge(s), and where applicable, his or her defense(s), and the facts, witnesses, and documents – whether written or electronic – in support. A nonresponse to the charge(s) by the respondent will be interpreted as a denial of the charge(s).

Investigation Follow Up: The investigator will conduct further investigation and update the investigative report as warranted by the respondent's response.

Final Investigative Report: The final investigative report should be provided to the student misconduct panel or hearing officer for consideration in adjudicating the charges brought against the respondent. A copy will also be provided to the respondent and alleged victim

(where applicable) before any hearing. The investigator may testify as a witness regarding the investigation and findings, but will otherwise have no part in the hearing process and will not attempt to otherwise influence the proceedings outside of providing testimony during the hearing.

The Coordinator of Student Conduct, having heard the alleged offender's interpretation and after reviewing relevant documents and statements will decide on one of the following:

Consultation. The Coordinator for Student Conduct may adjourn the preliminary conference pending further consultation with the complainant. This will allow the Coordinator of Student Conduct to gather additional pertinent facts before deciding on the next step of the conduct review process.

Mediation. Based on the nature of the incident, the Coordinator may seek to address the complaint through mediation. The mediation process provides an alternative to a formal hearing. It is intended to allow the individuals involved in the matter to discuss their respective understandings of the incident with assistance of the Vice President for Student Affairs, the Coordinator of Student Conduct, a counselor, or a faculty member. Mediation is designed to encourage each person to speak directly with the other and to accept personal responsibility where appropriate. Mediation seeks to facilitate the resolution of the incident to the satisfaction of the persons involved.

Administrative Action. The Coordinator of Student Conduct may adjudicate the case administratively. In certain cases, when a student accepts responsibility for the misconduct, the Coordinator of Student Conduct can issue an administrative sanction.

Formal Adjudication. In no case shall a hearing to resolve charge(s) of student misconduct take place before the investigative report has been finalized or before the respondent has had an opportunity to respond in writing, unless the respondent has chosen to go through an informal process or otherwise provided a written waiver of rights to these procedures. Further, unrelated charges and/or cases shall be heard separately unless the respondent voluntarily consents to the charges/cases being heard jointly. Where the respondent indicates that he or she contests the charges, and once the investigative report has been finalized and copies provided to the respondent and alleged victim (where applicable), the case shall be set for hearing; however, the alleged victim (where applicable) and respondent may have the option of selecting mediation as a possible resolution in certain student misconduct cases where they mutually agree, except where deemed inappropriate by the Vice President for Student Affairs, or his/her designee. Where a case is not resolved through mediation, the respondent shall have the option of having the charges heard either by an administrator (hearing officer) or a student conduct panel. Notice of the date, time, and location of the hearing, shall be provided to the respondent and alleged victim (where applicable) at least five (5) business days prior to the hearing. Notice shall be provided via institution email or alternative method, if necessary. Additionally, the following standards will apply to any such hearing:

- a. The respondent shall have the right to present witnesses and evidence to the hearing officer or panel, as well as to ask questions to any witnesses. At the determination of the hearing officer or panel, this questioning may take place through the submission of written questions to the panel or hearing officer for consideration; however, the parties' advisors may still actively advise and assist in drafting those questions. The hearing officer or panel shall ask the questions as written, and will limit questions only if they are unrelated to determining the veracity of the charge leveled against the respondent(s). In any event, the hearing officer or panel shall err on the side of asking all submitted questions, and must document the reason for not asking any particular questions.
- b. Where the hearing officer or panel determines that a party or witness is unavailable and unable to be present due to extenuating circumstances, the hearing officer or panel may establish special procedures for providing testimony from a separate location. In doing so, the hearing officer or panel must determine there is a valid basis for the unavailability, ensure proper sequestration in a manner that ensures testimony has not been tainted, and make a determination that such an arrangement will not unfairly disadvantage any party. Should it be reasonably believed that a party or witness who is not physically present has presented tainted testimony, the hearing officer or panel will disregard or discount the testimony.

- c. Following a hearing, both the respondent and alleged victim (where applicable) shall be provided a written decision via institution email of the outcome and any resulting sanctions. The decision should include details on how to appeal, as outlined below. Additionally, the written decision must summarize the evidence in support of the sanction. The same form will be completed, regardless of whether the student opts for a student panel or an administrative hearing.

Drop the Case. The Coordinator of Student Conduct may elect to drop the case should the allegation have no merit or drop the case for lack of sufficient evidence.

Interim Suspensions. Interim Suspensions, suspensions while the investigation and adjudication process are proceeding – should only occur where necessary to maintain safety, and should be limited to those situations where the respondent poses a serious and immediate danger or threat to persons or property. In making such an assessment, the institution should consider the existence of a significant risk to the health or safety of the campus community; the nature, duration, and severity of the risk; the probability of potential injury; and whether less restrictive means can be used to significantly mitigate the risk. Before an interim suspension is issued, the institution must make all reasonable efforts to give the respondent the opportunity to be heard on whether his or her presence on campus poses a danger. If an interim suspension is issued, the terms of the suspension shall take effect immediately. When requested by the respondent, a hearing to determine whether the intermediate suspension should continue will be held within three (3) business days of the request. Based on the nature of the misconduct, the Coordinator of Student Conduct may proceed with the case formally by referring it to one of the following conduct review bodies:

- Code of Conduct Violations: Coordinator of Student Conduct, University Conduct Review Board or a Hearing Officer
- Housing Policy Violations: Coordinator of Student Conduct, University Conduct Review Board, SGA Judiciary, or Resident Directors.

Pleas. If the Coordinator of Student Conduct decides to proceed with the case formally, the accused student will be informed of the pleas available to him or her through the student conduct review system. The pleas that are available to students and the subsequent outcomes are described below:

- **Responsible:** A student who accepts responsibility for the alleged violation waives his or her right to a hearing and accepts the sanction(s) offered by the conduct review body. Should the offender perceive that the sanctions are too severe, he or she may follow the appeal procedure.
- **Not Responsible:** A student who denies responsibility for the alleged violation will have his or her case heard by the conduct review body that has authority to hear the case. A date and time shall be set for a hearing not less than two nor more than seven class days after the student has made his or her “not responsible” declaration. A student may request an immediate hearing following the Preliminary Hearing, however he/she will be afforded a minimum of 5 business days to prepare upon request.
- **No Contest:** The alleged offender may plead no contest and accept the sanction(s) offered by the Coordinator of Student Conduct, hearing officer, or conduct review body. (This plea is for students who are involved in either civil or criminal proceedings arising out of the same incident.)

The Implication for Failing to Appear Before a Conduct Review Authority. If a student notified to appear before the Coordinator of Student Conduct, the Student Government Judiciary, the University Conduct Review Board, Resident Director or a Hearing Officer fails without excuse to comply, the accused will be processed in absentia. If substantial evidence is presented establishing that the violation occurred as alleged, the accused student shall be notified and an appropriate sanction will be provided by written notice. When an extension of time appears necessary to avoid undue hardship or injustice, time may be extended to enable a student to respond to an accusation or prepare a defense.

Conduct Review Holds. While the University reserves the right to hear cases in absentia as described above, in certain cases the University may feel it necessary for cases to move forward with active student participation. In these cases, the University reserves the right to place a Conduct Review Hold on a student's account in order to compel participation in the Conduct Review Process. When this option is utilized, students' will not be permitted to enroll in courses, drop/add courses, participate in University activities or conduct normal business with the University. Conduct Review Holds may also limit a student's ability to use their University ID card to access goods and services at the University, including Dining Center meals.

Failure to Comply with University Sanctions. If a student has been assigned sanctions and that student fails to meet the deadline for those sanctions, a Conduct Review Hold will be placed on the students account with Savannah State University. This hold will limit the students' ability to register for courses, participate in University activities, and conduct normal business with the University, including using SSU ID Cards to access meals and other University goods and services. Ample time shall be provided to ensure students have the ability to complete sanctions within a reasonable amount of time. At the discretion of the adjudicating body, this hold may not be removed until the student has made satisfactory effort to comply in completion of the required sanction(s). As this process would occur only after final appeals have been exhausted, this is not an appealable action.

Section 6: Student Conduct Authority

A. Conduct Review Authorities. The Vice President for Student Affairs is responsible to the President for the supervision, administration, and operation of University policy related to student misconduct. There are five tribunals that have authority to adjudicate certain kinds of student misconduct. These conduct review bodies are as follows:

Coordinator of Student Conduct. The Coordinator of Student Conduct is the University's primary conduct review administrator. The Coordinator of Student Conduct has authority to receive complaints on student misconduct, direct such investigations as may seem appropriate, summon students who are directly involved or have knowledge of misconduct, and serve as a hearing officer. At the conclusion of an investigation, it is the responsibility of the Coordinator of Student Conduct to determine whether to take no action, refer the matter to an appropriate internal or external agency/department, or issue a charge to a student for violating the Code of Student Conduct. Depending on the nature of the misconduct, the Coordinator of Student Conduct will determine if the case can be adjudicated either administratively by mutual consent of all parties involved or formally. For clarity of purpose, less severe cases of misconduct can be resolved and/or adjudicated administratively. In such cases, the Coordinator of Student Conduct can impose any sanction on the student. Certain less severe cases may be resolved by mutual consent of all parties involved, such as, but not limited to, mediation sessions or mandatory counseling from the Office of Counseling Services. In the event there is no mutual consent to resolve the incident, the case will be referred to either the University Conduct Review Board or the Student Government Association Judicial Branch, depending on the nature of the offense. The Coordinator of Student Conduct will determine which adjudicating body will preside over a given case, within specific parameters as directed by the Vice-President for Student Affairs. Specifically, all cases that would likely result in a Suspension or Expulsion, if the student were found responsible, will automatically be referred to the University Conduct Review Board. Examples of cases that would fall under automatic University Conduct Review Board purview include, but are not limited to: physical assault or violence, drug distribution, bullying or harassment, weapons, repeat offenders, or any other issue that presents a clear and present danger to the campus community or individuals.

University Conduct Review Board. The University Conduct Review Board (UCRB), which is comprised of faculty, staff, and students, has jurisdiction for hearing cases involving alleged violations of the Code of Student Conduct. Through the Coordinator of Student Conduct, the Board has authority to summon any member of the University community as a witness in a case of student misconduct. The University Conduct Review Board is comprised of faculty members, staff members, and student representatives. Faculty and Staff board members are volunteers and are vetted through the Office of the

Vice President for Academic Affairs and/or Human Resources. Student members are selected by Student Government or appointed by the Office of Student Conduct. All members are appointed to a one-year term. These individuals form the pool from which the University Conduct Review Board is selected to hear cases. The adjudication panel itself consists of faculty members/staff members and students. A hearing panel will consist of no less than three members, one of which must be a student representative.

The UCRB will have a chairman who is appointed by the Coordinator for Student Conduct for each hearing. In the event that a scheduled panel member is unable to attend a hearing, all parties in the hearing will have the option to move forward with the panel members present or to reschedule the hearing. All charged students must agree to proceed with a hearing. If anyone disagrees with moving forward, the hearing will be rescheduled to facilitate a full UCRB panel. The University's staff member tasked with investigating allegations of student misconduct is not be responsible for training University Conduct Review Board members or appellate body members. This training will be conducted by an alternate member of the Division of Student Affairs.

Student Government Association Judiciary. The Student Government Association (SGA) Judiciary has authority to hear and adjudicate Housing Policy student misconduct allegations that have been referred to it in conjunction to the Residential Judicial Board. Members of the SGA Judiciary shall be available to serve on both the Residential and University Conduct Review Boards. The Chief Justice shall chair such cases. In his/her absence, the senior member of the Student Judiciary will chair the hearing. The Coordinator of Student Conduct will serve as an advisor to the SGA Judiciary during all cases. The Student Judiciary consists of nine members as follows: the chief justice who is elected by the student body and eight associate justices, all of whom are appointed by the chief justice and approved by the SGA Congress. Five members of the judiciary, one of which must be the chief justice or the senior justice, must be present in order to conduct a hearing. The SGA judiciary is empowered to hear Housing Policy cases of misconduct.

Hearing Officers. Hearing Officers, appointed by the Dean of Students or his/her designee, are staff and faculty members who have authority to receive complaints on student misconduct, direct such investigations as may seem appropriate, and summon students who are directly involved or have knowledge of misconduct, and serve as a hearing officer. At the conclusion of an investigation, it is the responsibility of the hearing officer to determine whether to take no action, refer the matter to an appropriate internal or external agency/department, or issue a charge to a student for violating the Code of Student Conduct. Depending on the nature of the misconduct, the hearing officer will determine if the case can be adjudicated either administratively by mutual consent of all parties involved or formally. For clarity of purpose, less severe cases of misconduct can be resolved and/ or adjudicated administratively. In such cases, the hearing officer can impose any sanction on the student. Certain less severe cases may be resolved by mutual consent of all parties involved, such as, but not limited to, mediation sessions or mandatory counseling from the Office of Counseling and Disability Services. In the event there is no mutual consent to resolve the incident, the case will be decided by the hearing officer or referred to either the UCRB or the Student Government Association Judiciary, depending on the nature of the offense. For formal hearings, a hearing officer is empowered to issue sanctions when a student is found responsible for violating the Code of Student Conduct. Hearing Officers are empowered to hear violations of the Code of Student Conduct and Housing Policy violations.

Resident Directors. Each residence hall on campus is supervised by full time professional Resident Directors. Resident Directors have full authority to adjudicate any violations of Housing Policy that occur in or around University Housing Facilities. Resident Directors will only hear cases involving violations of Housing Policy and minor Code of Student Conduct violations. Resident Directors will be assigned cases at the discretion of the Director of Housing in consultation with the Coordinator of Student Conduct.

B. Adjudication of Academic Dishonesty Cases. The rights and responsibilities of academic freedom are at the core of intellectual integrity of the institution. Students are expected to behave honestly during the learning process in order to maintain the highest standards of academic honesty. Cheating and other forms of academic dishonesty undermine Savannah State's educational value for everyone, and especially for the individual who cheats. Misunderstanding of appropriate academic conduct will not be accepted as an excuse for academic dishonesty. Students should consult with the instructor in the course, the department chair/program director, or the academic dean if there is doubt about appropriate academic conduct. Procedures for adjudication of violations of academic dishonesty are available in the Office of Academic Affairs.

C. Conduct Issues with Underlying Mental Health Concerns. When in the course of a conduct review process, it becomes evident that a student has underlying mental health concerns, the University reserves the right to refer such cases to the Behavioral Intervention Team (BIT) for review. This body is comprised of members of the University Counseling, Law Enforcement, Student Affairs, and Academic Affairs. This body will make an appropriate determination and work with senior Student Affairs staff to facilitate an appropriate outcome that serves the interest of the individual student as well as the rest of the student body. For more information on the BIT, please contact the Office of the Dean of Students (King-Frazier Student Center, room 247).

Section 7: Formal Conduct Procedures

A. Order of Hearing. In adjudicating formal cases, all tribunals/hearing officers will proceed in the following order:

1. Call to order by the chairperson or Coordinator of Student Conduct;
2. Reading of the charge(s) and specification of the alleged incident of misconduct by the Chairperson or Coordinator of Student Conduct;
3. Presentation of the complainant's case, including presentation of witness, by the Coordinator of Student Conduct;
4. Presentation of the accused student's case, including presentation of witnesses;
5. Closing statement by the complainant;
6. Closing statement by the accused student;
7. Adjournment; and
8. Deliberation by tribunal.

During the hearing, members of the tribunal may raise questions to either the complainant or accused student as well as any witnesses. This is done at the direction of the chair. There is no right of one party to cross-examine the other party or witnesses but questions to consider and ask may be suggested to the Chair and panel by the parties in writing prior to or during the actual hearing. The respondent and alleged victim (where applicable), as parties to these proceedings, shall have the right to use an advisor (including an attorney) of his or her choosing, and at his or her own expense, for the express purpose of providing advice and counsel. The advisor may be present during meetings and proceedings during the investigatory and/or resolution process at which his or her advisee is present. The advisor may advise his or her advisee in any manner, including providing questions, suggestions, and guidance on responses to any questions of the advisee, but shall not participate directly. The institution shall not prohibit family members of a party from attending if the party requests such attendance, but may limit each participant to two family members.

- B. Burden of Proof.** Students will be presumed not responsible until proven otherwise by a preponderance of evidence. During the hearing, the burden of proof rests upon the University official and/or complainant bringing the charges. During the deliberation, the conduct body shall determine, by majority vote (if the conduct body consists of more than one person), whether the student violated the particular section of the Code of Student Conduct. The conduct body's determination shall be made on the basis of whether it is "more likely than not" that the accused student violated the Code of Student Conduct. Any decision to suspend or to expel a student must also be supported by substantial evidence at the hearing.
- C. Rules of Evidence and Procedure.** Most aspects of the University's conduct review system differ sharply from those found at state and other outside conduct systems. Colleges and universities, however, adhere to fairness and due process. Nevertheless, formal civil rules of evidence and procedures followed by courts of law shall not be applicable during investigations or hearings. All matters upon which the decision may be based must be introduced into evidence at the proceeding before the tribunal hearing the case. The decision of the tribunal shall be based solely upon such matters. Improperly acquired evidence shall not be admitted. The adjudicating body may exclude evidence that in its judgment is immaterial, irrelevant, or unduly repetitious.
- D. Privacy of Proceedings.** All informal and formal hearings shall be conducted in private in order to protect the confidential nature of the proceedings, unless the defendant elects to have an open hearing. If the latter is the case, such a request must be in writing by the defendant. However, state and federal laws pertaining to open hearings takes precedence over either the defendants' or the victims' request for an open or closed hearing.
- E. Record of the Proceeding.** There shall be a record, written findings of fact, transcripts, audio recordings and/or video recordings, of all formal hearings before a University Conduct Review Board. The record shall be the property of the University.
- F. The Decision.** The student shall be notified in writing of the decision within three days of the conduct review body's decision. All cases, except those adjudicated by the Coordinator of Student Conduct or a hearing officer, will be decided by majority vote as to both findings and sanctions. The victim or victims have the opportunity to learn of the decision through the Coordinator of Student Conduct. Every student shall also be advised in writing of his/her right to appeal the decision.
- G. Disciplinary Status.** Upon a determination that a student has violated the Code of Student Conduct or Housing Policies, every student will be placed on one of the following Disciplinary Statuses:

Written Warning. A written statement by the Office of Student Conduct that a student's behavior has been inappropriate, and that any further violation of University standards will result in stronger disciplinary action.

Residence Hall Probation. Students may be placed on Residence Hall Probation for repeated or serious violations of either the Code of Student Conduct or Housing Policies. Students placed on Residence Hall Probation will receive notice in writing and the probation will be for a defined period of time. While on Residence Hall Probation, further violations of either the Code of Student Conduct or Housing Policies may result in removal from University Housing and/or the University.

Residence Hall Suspension. Separation of the student from the residence halls or residence facilities owned by or operated for the institution for a specified length of time, after which the student may be eligible to return. In instances when a student is suspended from a residence facility, he or she may not transfer to another residence facility owned by or operated for the University.

Residence Hall Expulsion. Permanent separation of the student from the residence halls or residence facilities owned or operated by the institution. In instances when a student is expelled from a residence facility, he or she may not transfer to another residence facility owned by or operated for the University.

University Probation. Students may be placed on University Probation for repeated or serious violations of either the Code of Student Conduct or Housing Policies. Students placed on University Probation will receive notice in writing and the probation will be for a defined period of time. While on University Probation, further violations of either the Code of Student Conduct or Housing Policies may result in removal from the University.

University Suspension. Separation from the University for a stated period of time, with conditions of readmission stated in the notice of suspension. Students who are suspended from the University shall be denied access to the institution, including its facilities, grounds, residence halls, activities, or privileges for which the student might otherwise be eligible. After the period of suspension has expired, a student may apply in writing to have the suspension notation on his or her transcript removed.

University Expulsion. Permanent separation of the student from the University. Students who are expelled from the University shall be denied access to the institution, including its facilities, grounds, residence halls, activities, or privileges for which the student might otherwise be eligible. The expulsion notation on the transcript may be permanently posted as determined by the president.

H. Disciplinary Sanctions. In determining the severity of sanctions or corrective actions the following should be considered: the frequency, severity, and/or nature of the offense, history of past conduct, an offender's willingness to accept responsibility, previous institutional response to similar conduct, and the institution's interests. The student conduct panel or hearing officer will determine sanctions and issue notice of the same, as outlined above. The broad range of sanctions includes: expulsion; suspension for an identified time frame or until satisfaction of certain conditions, or both; temporary or permanent separation of the parties (e.g., change in classes, reassignment of residence, no contact orders, limiting geography of where parties can go on campus) with additional sanctions for violating orders; required participation in sensitivity training/awareness education programs; required participation in alcohol and other drug awareness and abuse prevention programs; counseling or mentoring; volunteering/ community service; loss of institutional privileges; delays in obtaining administrative services and benefits from the institution (e.g., holding transcripts, delaying registration, graduation, diplomas); additional academic requirements relating to scholarly work or research; financial restitution; or any other discretionary sanctions directly related to the violation or conduct. Disciplinary sanctions, cited above are listed below and described in greater detail, may be imposed, either singularly or in a combination, by the appropriate conduct review body. These sanctions are not all-inclusive:

Restitution. A monetary penalty assessed against the student to cover the cost of services or replacing physical property of the University or student or staff victims which has been stolen, damaged intentionally, or damaged as a result of gross negligence (In cases where the damage is in areas such as residence halls and lounges used jointly by groups of students, and the person responsible for the damage or theft is not known, the penalty may be applied against all students using the facility on a pro rata basis). The payment of a fine by a student or group of students shall in no way negate the right of the University to seek restitution for damages through appropriate civil proceedings.

Mandatory Educational/Community service. A mandatory participation in a specific educational program, work assignment, or the completion of a research-related assignment. The student is responsible for all related expenses. Failure to comply with the educational/community service sanction could result in suspension from the University.

Loss of Privileges. Denial of specified privileges for a designated period of time. Loss of privileges may include, but is not limited to: the ability to have guests on campus, attend programs or events, or otherwise participate in University functions.

Organization Deactivation. Loss of privileges, including University recognition for a specific period of time or permanently. Loss of privileges may include, but is not limited to a prohibition on social events, fund-raising projects, intramural events, and completion of community service hours and special projects.

Fines. Reasonable fines may be imposed. As fines are a sanction, fines may not be substituted with Community Service. Failure to meet fine obligations will result in a financial hold being placed on a student's account that will prevent registration and other University business from being completed.

Confiscation of Prohibited Property. Items whose presence is in violation of University policy will be confiscated and will become the property of the University. Prohibited items may be returned to the owner at the discretion of the Coordinator of Student Conduct and/or Campus Police.

Behavioral Requirement. This includes required activities including, but not limited to, seeking academic counseling or substance abuse screening, writing a letter of apology, etc.

Educational Program. Requirement to attend, present and/or participate in a program related to the violation. It may also be a requirement to sponsor or assist with a program for others on campus to aid them in learning about a specific topic or issue related to the violation for which the student or organization was found responsible. Audience may be restricted.

Administrative Housing Move. If a student has repeated or egregious Housing Policy violations, a Conduct Officer may choose to conduct an Administrative Housing Move to another Savannah State University housing facility. Residence will be responsible for any additional charges that result from this conduct sanction. Should a resident wish not to comply with the Administrative Housing Move, that student may choose to move off campus, however they would also be responsible for any administrative charges applicable to early contract termination. Housing staff will decide on the reassignment details.

Eligibility Restriction. The student is deemed "not in good standing" with Savannah State University for a specified period of time. Specific limitations or exceptions may be granted by the Coordinator of Student Conduct and terms of this conduct sanction may include, but are not limited to, the following:

- Ineligibility to hold any office in any student organization recognized by the University or hold an elected or appointed office at Savannah State University; or
- Ineligibility to represent Savannah State University to anyone outside the University community in any way including: participating in the study abroad program, attending conferences, or representing the University at an official function, event or intercollegiate competition as a player, manager or student coach, etc.

Other Sanctions. Additional or alternate sanctions may be created and designed as deemed appropriate to the offense with the approval of the Coordinator of Student Conduct or designee.

The Coordinator of Student Conduct and/or the Hearing Officer will inform the student of the sanctions in writing. The student will also be informed of the appeal procedure. The findings of the Coordinator of Student Conduct and/or the Hearing Officer will be final unless the student chooses to appeal the decision.

I. Group Violations. A student group or organization and its officers and membership may be held collectively and individually responsible when violations of this code by the organization or its member(s):

- Take place at organization-sponsored or co-sponsored events, whether sponsorship is formal or tacit;
- Have received the consent or encouragement of the organization or of the organization's leaders or officers; or
- Were known or should have been known to the membership or its officers.
- Organization fails to take official and/or appropriate disciplinary action against involved member(s).

Hearings for student groups or organizations follow the same general student conduct procedures. In any such action, individual determinations as to responsibility will be made and sanctions may be assigned collectively and individually and will be proportionate to the involvement of each individual and the organization. The following sanctions may be imposed upon groups or organizations found to have violated the Code of Student Conduct:

- One or more of the sanctions listed above
 - Deactivation, de-recognition, loss of all privileges (including status as a Savannah State University registered group/organization), for a specified period of time.
- J. Amnesty.** Individuals should be encouraged to come forward and to report student misconduct notwithstanding their choice to consume alcohol or to use drugs. Information reported in good faith by an individual during an investigation concerning use of drugs or alcohol will not be used against that individual in a disciplinary proceeding and will not be voluntarily reported to law enforcement; however, individuals may be provided with resources on drug and alcohol counseling and/or education, as appropriate. Abuse of amnesty requests can result in a decision by the Coordinator of Student Conduct not to extend amnesty to the same person repeatedly.
- K. Safe Harbor.** Savannah State University has a Safe Harbor rule for students. The University believes that students who have a drug and/or addiction problem deserve help. If any University student brings their own use, addiction, or dependency to the attention of University officials outside the threat of drug tests or conduct sanctions and seeks assistance, a conduct complaint will not be pursued. A written action plan may be used to track cooperation with the Safe Harbor program by the student. Failure to follow the action plan will nullify the Safe Harbor protection and campus conduct processes may be initiated.
- L. Confidentiality.** When a complainant or alleged victim requests that his or her identity be withheld or the allegation(s) not be investigated, the University will consider whether or not such request(s) can be honored while still providing a safe and nondiscriminatory environment for the institution. The University will inform the requesting party that the institution generally cannot guarantee confidentiality. Further, honoring the request may limit the University's ability to respond fully to the incident and may limit the institution's ability to discipline the respondent.
- M. Retaliation.** Anyone who, in good faith, reports what she or he believes to be student misconduct, participates or cooperates in, or is otherwise associated with any investigation, shall not be subjected to retaliation. Anyone who believes he or she has been the target of retaliation for reporting, participating or cooperating in, or otherwise being associated with an investigation should immediately contact the Office of Student Conduct. Any person found to have engaged in retaliation in violation of the student conduct policy shall be subject to disciplinary action, pursuant to University policy.
- N. False Complaints.** Individuals who intentionally give false statements to an institution official, or who submit false complaints or accusations, including during a hearing, in violation of policy shall be subject to disciplinary action pursuant to University policy.
- O. Disciplinary Records.** All conduct records are maintained by the University for seven (7) years from the time of their creation except those that result in separation (suspension or expulsion, including from housing) and those that fall under Title IX, which are maintained indefinitely.

Conduct Review Appeals Procedures. In any case involving imposition of a disciplinary sanction, the accused shall have the right to appeal the decision. All appeals (below the President's level) must be in writing and submitted to the appropriate office within five (5) business days of the original decision (as dated on the decision letter) and must be entered using the electronic link contained in the decision letter. The written request for review must state the criteria for appeal with precision and specify the justification for the appeal.

A. Criteria for Appeals. An appeal may only be made based on one or more of the following criteria:

Procedural Error. To allege a procedural error within the hearing process that may have substantially impacted the fairness of the hearing, including but not limited to whether any hearing questions were improperly excluded or whether the decision was tainted by bias.

Substantial Evidence. To consider new information, sufficient to alter the decision, or other relevant facts not brought out in the original hearing, because such information was not known or knowable to the person appealing during the time of the hearing.

Excessive Sanctions. To allege that the finding were inconsistent with the weight of the information, meaning that the severity of the sanction is not proportionate with the violation of the conduct code. Based on the criteria above, the Appeal Officer, may:

- affirm the original finding and sanction;
- affirm the original finding but issue a new sanction lesser in severity, apply another action as appropriate;
- remand the case back to the decision-maker to correct a procedural or factual defect; or
- reverse or dismiss the case if there was a procedural or factual defect that cannot be remedied by remand.

The appeal should be made to the Appeal Officer as described in Section B. Appeal Jurisdiction. The appeal shall be a review of the record only, and no new meeting with the respondent or any alleged victim will be held. All Appeal Decisions will be made in writing within ten (10) business days.

B. Appeal Jurisdiction

Appeals to the Director of Student Life. A student may initiate an appeal to the Director of Student Life concerning a decision made by the Coordinator of Student Conduct, Student Government Association Judicial Branch, regarding Housing Policy infractions not resulting in suspension or expulsion. All appeals to the Director of Student Life must be in writing and submitted within five (5) business days of the decision letter. The Director of Student Life has ten (10) business days to respond to a student's written appeal.

Appeals to the Dean of Students. A student may initiate an appeal to the Dean of Student concerning a decision made by the Coordinator of Student Conduct, the University Conduct Review Board, or a Hearing Officer. The Dean of Students will be the Final Appeal for all cases resulting in less than University Suspension or Expulsion or Housing Suspension or Expulsion. All appeals to the Dean of Students must be in writing and submitted within five (5) business days of the decision letter. The Dean of Students has ten (10) business days to respond to a student's written appeal.

Appeals to the Vice President for Student Affairs. All appeals to the Vice President for Student Affairs must be in writing and submitted within five (5) business days of the decision letter. The Vice President or designee has ten (20) business days to respond to a student's written appeal.

Appeals to the President of the University. If a student is not satisfied with the decision rendered by the Vice President of Student Affairs regarding his or her case resulting in suspension, expulsion, removal from housing and/or retraction of a degree or previously awarded credit for a class, the student may initiate an appeal to the University President regarding the decision of the Vice President of Student Affairs. An appeal to the University President may be made only on the grounds stated in *Section 1. Grounds for Appeal* as described above. All appeals to the University President must be in writing and submitted within five (5) business days of the decision letter. The University President or designee has twenty (20) business days to respond to a student's written appeal. The President's decision shall be the final decision of the institution.

Appeals to the University System of Georgia Board of Regents. Should the respondent wish to appeal the President's decision, he or she may appeal to the Board of Regents. All appeals must be in writing. Correspondence should be addressed to the Executive Secretary of the Board (Board of Regents, 270 Washington Street, SW, Atlanta, GA 30334). Appeals should be filed with the Board of Regents within 20 calendar days of the University's final decision and must cite specific cause for review as outlined above.

C. Recusal/Challenge for Bias. Any party may challenge the participation of any University official, employee or student panel member in the process on the grounds of personal bias by submitting a written statement to the Director of Student Life setting forth the basis for the challenge. The Director will not be responsible for investigating or adjudicating the conduct allegation. The written challenge should be submitted within a reasonable time after the individual reasonably should have known of the existence of the bias. The Director of Student Life will determine whether to sustain or deny the challenge, and if sustained, the replacement to be appointed.

D. Appeal Not Filed. Should a student not file an appeal within five (5) days, the decision made by the hearing body shall be final and will not be eligible for further appeal review.
